

USD 234 COVID-19 Student Checklist

Please review the checklist below each day before sending your child to school. If he/she has a fever or two or more of these symptoms, **DO NOT** send them to school. We recommend contacting your healthcare provider for further guidance.

- Fever 100.0°F or greater*****
- New cough
- Difficulty Breathing/Shortness of Breath
- Loss of taste/smell
- Headache
- Sore throat
- Muscle/Body Aches
- Nausea/Vomiting/Diarrhea
- Congestion/Runny nose

*****Any student with a temperature of 100.0°F or greater cannot attend school and should not return until he/she has been fever free without fever reducing medication for 72 hours.** Students returning after a fever will have their temperature checked twice the day they return to school.
