

Rockets Transportation

Permission Slip

Dear Families

If your student(s) need transportation home from Rockets you must fill out this form and return it to school. We are able to transport by bus this school year. We are offering one loading time; 4:00 PM. Once we have students signed up, a designated route can be created.

Parents/Guardian must be at the designated bus stop for students in kindergarten through third grade. No changes to the designated stop will be permitted.

If you have any questions please contact Rockets Coordinator Kristy Harmon at (530) 598-8417, or at kharmon@happycamp.k12.ca.us.

Thank you,

Kristy Harmon
HCES After-School Coordinator
