

## STUDENT STREAM

The Stream is where you will find announcements from your teacher, upcoming deadlines, and where you can post and comment (if your teacher enables this for you).

- 1 Upcoming assignment deadlines will appear to the left sidebar.
- 2 If your teacher allows you to post, you will see a box like this at the top of the stream. Click in the box to share something with your class. Keep it appropriate!
- 3 Your teachers may also post announcements like this in the Stream.
- 4 Your teachers may also post notifications of new assignments in the stream. But you can always see your assignments on the Classwork page.
