

STUDENT CLASSWORK

The Classwork page is where you will find your assignments and class materials.

- 1 View your work, turn in status, due dates, and grades for your class.
- 2 View your class calendar, including due dates for assignments.
- 3 View your Class Drive folder in Google Drive.
- 4 Your teachers may organize your assignments by topics, materials, units, modules, type of work, by day, or any way they choose. Those topics will appear to the left. Click on a topic to see all the assignments for that topic. You will also see topics as headings over your assignments and materials.

The screenshot shows the Google Classroom interface for a class named "U.S. History". At the top, there are navigation tabs: "Stream", "Classwork", and "People". Below these are three buttons: "View your work" (callout 1), "Google Calendar" (callout 2), and "Class Drive folder" (callout 3). The main content area is divided into sections. The "TODAY" section shows an assignment titled "Choose Your Own Adventure Google Sl..." with a due date of "No due date". Below this is the "Classroom Materials" section, which lists "Syllabus" (Edited Sep 17, 2018), "Teacher Website" (Edited Sep 17, 2018), and "Class Rules" (Edited Aug 29, 2019). The "Unit 1: Civil War" section is expanded, showing a list of assignments: "#001 The Battle of Gettysburg Digital Story" (Due Mar 26) and "Explain the Reconstruction period in your c..." (No due date). On the left side, a sidebar menu (callout 4) lists various topics: "All topics", "TODAY", "Classroom Materials", "Unit 1: Civil War", "Unit 2: World War I", "Unit 3: World War II", "Daily Work", "Bell ringers", "Week of Sept 3-7", "Week of Sept 10-14", "Week of Sept 17-21", "Sept. 3, 2018", "Sept 4, 2018", and "Sept 5, 2018". Arrows point from the "Unit 1: Civil War" topic in the sidebar to the "Unit 1: Civil War" section in the main content area, and from the "TODAY" topic to the "TODAY" section.
