RE: Accident-Only Policy #90820BC00C
BLANKET Custom All School with Athletics w/FB

Enclosed please find the following: 1) accident-only medical policy applied for and paid for by your school district for the 2020-2021 school year; 2) several Fidelity Security Life claim forms; and 3) instructions for filing a claim.

To ensure the timely filing and payment of claims for this school year, destroy all claim forms for previous school years. You may make copies of the enclosed claim form if necessary or obtain a claim form from the Texas Kids First website, www.texaskidsfirst.com. Select "Claim Forms" and enter the following: User ID: **district** Password: **bmugjs83@** (case sensitive).

To access the Texas Kids First Provider Directory on our website, select "Find Provider" and then enter the same information mentioned above.

The insurance purchased by the school district is supplemental and not intended to provide or replace individual, family, or group healthcare insurance coverage. The district insurance is accident only, not sickness and illness. All insurance policies have limits of how much they will pay. This policy is no different. The district insurance is a limited-benefit policy and may not cover all injuries and/or it may not pay for all medical bills. Any bills not paid by insurance are the responsibility of the parent/guardian.

Claim forms are the property of the district and should be completed and signed by a school district official and the parent/guardian of the injured student. It is the parent/guardian's responsibility to submit the claim form within 90 days of the date of the injury. Do not rely on a provider to complete or submit a claim form.

Please file these documents in a safe place for future reference. Fidelity Security Life Insurance Company appreciates your business and we look forward to serving you in the future.

If you have any questions, please do not hesitate to contact our office or your agent.

Sincerely,

Policy Issuance

No such statement shall be used in defense to a claim under the Policy, unless it is contained in a written application or enrollment form and a copy of the application has been furnished to the Policyholder, the Insured, or the Insured's beneficiary, if any.

No change in the Policy shall be valid until approved by an executive officer of the Company and unless such approval be endorsed hereon or attached hereto. No agent has authority to change the Policy or to waive any of its provisions.

Incontestability: After this Policy has been in force for two years no statement made by any Insured relating to his insurability, except a fraudulent misstatement, shall be used to contest the validity of any insurance with respect to which that statement was made unless it is contained in a written instrument signed by him.

How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). **This notice summarizes your protections.**

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
 - Up to \$500,000 for health benefit plans, with some exceptions.
 - Up to \$300,000 for disability income benefits.
 - Up to \$300,000 for long-term care insurance benefits.
 - Up to \$200,000 for all other types of health insurance.
- **Life insurance:**
 - Up to \$100,000 in net cash surrender or withdrawal value.
 - Up to \$300,000 in death benefits.
- **Individual annuities:** Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.
- **Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.
- **Individual aggregate limit:** Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.
- **Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

Note: You're receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). These protections apply to insolvencies that occur on or after September 1, 2019. **There may be other exceptions that aren't included in this notice.** When choosing an insurance company, you should not rely on the Association's coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.
