High School Principal

**Sandy Smith**  
Bloom-Vernon  
Elementary Principal

September 2, 2020

Parents/Guardians:

We are incredibly happy to have your kids back in school with us! However, we want to keep them as safe and healthy as we can. To help with this, please follow these guidelines when questioning whether your child is healthy enough to attend school.

If your child has any of the following symptoms, please keep them home.

**Fever (100° or more)**  
**Persistent Cough**  
**Headache**  
**Constant sore throat**  
**Runny nose accompanied by another symptom**  
**Extreme Congestion**  
**Muscle Aches & Pains**

**\*To return to school, your child must be fever free for 24 hours or more, without the use of Tylenol or Ibuprofen\***

If your child is sent home from school with any of these symptoms, they must have a doctor's note to return. Please do not send them to school without a doctor's note.

While we realize allergy season is in full swing, it is important that we have this documented from your child's doctor so that we can be confident in making decisions regarding their health.

Thanks for your patience and understanding as we continue to follow the ever-changing health guidelines set forth by the Ohio Department of Health.

Please feel free to contact us with any questions or concerns.

Sincerely,

Katie Allard, RN  
District Nurse
