

**Business Education Virtual Plan**  
**Melinda Morrison**

icevonline.com and Google Classroom will be used for all Business Education classes during a virtual school

- Students will utilize their Minco Schools Google account for communication and assignments during a virtual school.
- Each student will have a username and password for icevonline.com
- Each lesson will be posted in Google Classroom and visible in icevonline.com
- During a virtual period, students will have access to all notes, powerpoints, and videos related to the current assigned lesson as well as an option to print material if needed
- Each assignment for icevonline will have a due date posted
- Students will be expected to complete all assignments by the due date
- Students will use icevonline during class and will have the opportunity to become familiar with the program as it is part of our regular classroom material
