## E-Learning Enrichment Experience

Walcamp E3 is a hybrid enrichment program and day camp that provides your child with a consistent location for e-learning school days.

- E3 helps you balance work and caring for your child.
- E3 lets your child balance screen time with outdoor STEM-based activities.
- E3 is a unique blend of quality learning and classic camp fun.

E3 is an extension of our Day Camp, run COVID-safe in Summer 2020, and blends our best summer camp activities with our year-round Outdoor Education program.

Walcamp is licensed as a camp by the State of Illinois. We are not a registered education facility and are not regulated by DCFS. We provide a non-traditional educational environment that complements your child's classroom experience to provide opportunities for personal learning and growth.
