RE: Updated info regarding schools

DATE: Wednesday, September 2, 2020

Lincoln Parish Schools will OPEN Thursday, September 3, 2020 on regular schedules.

All personnel should report to their respective school sites. Internet issues have mainly been resolved and virtual instruction can continue.

Since we have now used our built-in school calendar days for this present emergency, any other days for which we might have to close schools will have to be made up either through shortening a holiday or adding time at the end of the school year. My hope is that neither will have to occur.

I wish the best for all of you as we continue through these unprecedented times. Take care of yourselves and let's do our best for our students.
