Home Ticket Sales and Stadium/Gym Policy

Football and Volleyball

All ticket sales will be General Admission and sold at the event. We ask that you try to bring the exact dollar amount to the gate.

Football Ticket Prices: Varsity – Adults \$5.00, Students \$3.00

JV/MS – Adults \$2.00, Students \$2.00

Volleyball Ticket Prices: HS/MS – Adults \$3.00, Students \$1.00

All stadium/gym visitors must self-screen for symptoms of COVID-19.

Masks must be worn upon entrance and we ask that you continue to wear a mask throughout the contest.

Alternating rows in the stadium and gym have been flagged. These rows are not available to be used.

Please respect others and follow social distancing. Groups should maintain at least 6 feet of distance from other groups at all times.

Middle School and Elementary students must be accompanied by an adult and are expected to sit with their family during the contest.

Fans will not be allowed on the field or gym floor following a contest. Please refrain from congregating in large groups after games and exit the facility quickly.

At this time, we have not noticed a need to limit ticket sales. It is possible that we may have to limit and change ticket policy in our gyms if attendance exceeds expectations. We will release information at that time if necessary.

It is our intention to livestream High School games (Home Games) on our school's Facebook page.
