# Navigating Google Classroom

This document will be a guide that will help you navigate the google classroom.

To access you google classroom:
- Log in to you school gmail account:
    - Username = (firstnamelastname@willitsunified.com)
        - For example my email is (mackenzieerickson@willitsunified.com)
    - Password = lunch number followed by wusd
- To get to your google classroom, click on the waffle to the right of the screen (I call it a waffle because that is what it looks like to me)

- Then click on "classroom"
- Select the class you need for that time

At the top of the screen you will see three different words:
