

1. Stream - this is where you find weekly announcements and other important information about the class or upcoming events or virtual field trips.
2. Classwork - you will MOSTLY be working under this tab and where all of your classwork and assignments will be posted.
3. People - these are the other people in your virtual class.

### **Accessing and completing your assignments**

1. Click on classroom at the top of the screen.

2. ASSIGNMENTS and DUE DATES are listed here.
3. Be sure you read all of the directions completely. Ask questions if you don't understand any part of the assignment. You can email your teacher if you have questions
4. Be sure to submit your assignment when you're finished.

### **Live Lesson Instruction and Getting Help During Independent Work Time**

Live lesson instruction will take place on ZOOM. Each week there will be a link to your zoom meeting under the "stream" tab on the homepage of the google classroom. You MUST attend this session in order to be counted as present in class. If you cannot attend please upload the recorded Zoom meeting and follow the teacher instructions to get credit for attending.
