Dear Mrs. Tietz:

This letter is in response to the Freedom of Information Act (hereinafter "FOIA" or "the Act") request you submitted to the District on August 11, 2017. You have requested copies of the following documents:

List of all project managers for Phase I and Phase II of Middletown Prairie. Description of their job and amount paid or to be paid. This includes Ittner Architects and Bueren [*sic*] Russo, among others, if applicable.

Mahomet-Seymour School District does not have a list of project managers for Phase I and II in its possession. Pursuant to FOIA law, "FOIA does not require a public body to create records in order to respond to a FOIA request; rather a public body is required to make records within its possession or control available for inspection and copying. Workman v. Illinois State Board of Education, 229 Ill. App. 3d 459, 464 (2d Dist. 1992)".

Sincerely,

A handwritten signature in black ink that reads "Lindsey Hall". The signature is written in a cursive style with a long horizontal flourish at the end.
