

Bangor School District Families,

Exciting news! The USDA has extended the waiver for free meals for all children 18 and younger in the Bangor School District (**NOTE- The USDA has indicated these meals will be offered free of charge until December 31st, or until funds for this have been depleted-meaning that anytime this could change. If this occurs, a communication will be sent.)

*****For those of you who have already ordered meals for this week- you will receive all meals, free of charge.**

Morning milk will continue to be available for students in 4K through 5th grade, but this is not included in the universal free meals.

Meals will be delivered within the school district boundaries starting at 11 a.m. on planned school days. Deliveries will include lunch for the current day and breakfast for the following planned school day.

Breakfast and lunch will be provided based off a planned menu of hot and cold meal options. Please refer to the menu at <http://bangor.nutrislice.com/> or download the nutrislice app on your android or apple device and search for Bangor in the Find Organization section.

Ordering forms are **due Wednesday**, the week prior. Please fill out a separate ordering form for each week and each child. If your child does not have a lunch PIN just enter 0.
