

EES

Here we are on the eve of the 2020-21 school year kick-off and EES staff couldn't be more excited. A few reminders to keep in mind as we get started:

- ❖ Building hours are 7:40-3:15...students will not be allowed into the building until 7:40 a.m.
- ❖ Drop-off and pick-up:
 - Please be patient while in the drop-off/pick-up line and do not have your child exit the vehicle until you are stopped in the drop-off area. Please do not park across the street from the drop-off/pick-up area and wave your child across the street...they will have to go to the crosswalk to cross the street.
 - Kdg, 1st, 2nd - south entrance
 - 3rd, 4th, 5th, 6th - north entrance
 - Bus riders (students getting off of the bus) - east entrance
 - Temperatures will be taken before entering the school (and again before lunch)
 - If eating breakfast at school, the students will go directly to the kitchen area to get their breakfast, then to the cafeteria to eat
 - 5th-6th graders - will go to the gym to wait for busses to KMS (if eating breakfast, they will eat when they get to KMS)
 - K-4 non-breakfast students will go to their classrooms
- ❖ Masks - if your child has a mask, please have them wear it to school...if he/she doesn't have one, we will have one for them, at the door, to put on before entering the building
 - Each student will receive 2 masks and 1 gator from their classroom teacher on Thursday or Friday. As we get started into the school year, there will be the possibility of your child getting a few more masks and gators, as needed.

We are looking forward to a fantastic year at EES!

Ms. Graff
Principal - EES
