

Carolyn Van Slyke

cvanslyke@bchsmc.com 683-4411

I moved to Dillon in 2010 with my family. My husband Dr. Kirk Van Slyke is a physical therapist at OrthoRehab. We have five wonderful children. As a family, we love to hike, rock climb, fish, hunt, camp, garden and enjoy being outdoors together. I love singing and playing the piano and flute. I received a Bachelor of Arts from Brigham Young University in Vocal Performance and Master of Music from the University of North Dakota. I am a member of the National Association of Teachers of Singing (NATS) and The National Association of Music Educators (MENC) and The American Choral Directors Association (ACDA). I have taught voice and piano lessons for many years and I enjoy teaching students while helping them experience the joy of making music. I believe that anyone can learn to sing. I know the study of music builds self-esteem and creativity, increases intelligence, develops initiative, teaches collaboration and teamwork. I love teaching choir and creating beauty everyday☺
