

Virtual Learning Trial Run and Speed Test

Speed Test

Please run a speed test **before** the trial run on September 4

Run a speed test at <http://speedtest.net/>

The recommended speed is:

Standard definition (SD) video quality bandwidth requirements

- Latency (PING) should be less than 100 ms
- Outbound signals (UPLOAD) from a participant in all situations must be 1 mbps or greater
- Inbound signals (DOWNLOAD) depend on the number of participants:
 - 1 mbps or greater with 2 participants
 - 1.5 mbps or greater with 5 participants
 - 2 mbps or greater with 10 participants

If you have any technology issues please email our tech staff at tech@tcityys.org

**Friday, September 4
10:00**

Grades K- 5

Join Google Meet session through homeroom teacher

Grades 6 – 12

Join Google Meet session through 1st period teacher
