

STAAR Resources Website for Parents/Teachers

**Parent Access to STAAR Student Portal**

Parents can access their child's STAAR results by visiting [www.TexasAssessment.com](http://www.TexasAssessment.com).

Once TEA releases the STAAR Test results, parents can visit the Texas Assessment website to view their child's results online and learn more about their child's performance. Parents may access results with or without their child's Unique Access Code.

\*TIP: Once you add your child's information, click GO. This will pull up your child's access code. You will need to click GO again to actually pull up the results!

After the district receives paper copies of the STAAR Report Cards, they are distributed to parents.
