Gabe Eberhardt, Assistant Athletic Director
Dawn Temme, AD Secretary

COVID-19 Football Facility Protocols

The following protocols have been developed based on the most recent information from the NSAA, local DHM's and the CDC. All guidelines are subject to change on short notice.

Capacity

- Based on the current DHM's, we will be able to use 75% of our capacity. However, taking into consideration where each school will sit and allowing for social distancing, we will be able to allow 340 patrons for FC and 180 patrons for the visiting school. All FC students, parents and patrons will be seated in the main bleachers. All visiting patrons will be seated in one of the 4 other bleacher sections. There is also some very limited space in the grass, both on the north and south sides of the bleachers.
- The visiting school will be given 180 purchase permits. Each person will have to show their purchase permit at the gate, and then pay regular admission. If you do not have the permit, you will not be able to attend the game. The visiting school can distribute these permits at their discretion.
- The home school will have 340 purchase permits. The FB team will be given 200 permits to be distributed to family members and guests. All remaining permits can be used by Fillmore Central students and patrons on a first come, first serve basis. Permits will be available at the front gate.
- It is recommended that social distancing should take place and be seated in groups of 8 or less.

PPE

- Mask use is highly encouraged when social distancing is not possible.
- Hand sanitizing stations will be available.

Entrance and Exit Strategies & Occupancy

- We will have 2 designated lines at the main gate; one for FC and one for the visiting school.
- FC fans will occupy the main large section of bleachers. The visiting team will have access to the other 4 smaller sets of bleachers. No one is to be on the track other than cheerleaders.

Restrooms & Concessions

- Fillmore Central will have access to the restrooms at the concession stand. Visiting fans are asked to use the portable restrooms near the main entrance.
- Only one concession stand will be available. We are recommending that everyone wears a mask while in line.

Students

- There will not be a designated student section for Fillmore Central students. FC students will be required to wear masks unless they are able to social distance.
- FC students below 9th grade will not be allowed to attend unless they are accompanied by a parent or guardian.

Pressbox

- Access limited to workers and coaches.
- Masks inside the pressbox are recommended when social distancing is not possible.

No spectators will be allowed on the field before or after games.
