

"The Powers Lake Schools seek to challenge and encourage all students to become lifelong learners and effective decision makers."

Rancher Report September 3, 2020

Child Nutrition & Food Distribution ND Department of Public Instruction

Beginning September 1st, breakfast and lunch is FREE to all Powers Lake Public School students. The USDA has granted a waiver extension for free meals until December 31st, 2020. This means ALL STUDENTS in grades K-12 will receive free breakfasts and lunches until December 31st, 2020 regardless of their free/reduced status. We encourage you to continue to fill out free and reduced applications to ensure that your status will remain in January 2021. If you have already filled out an application and been considered reduced or denied, you will not be charged for meals until January 2021.

The free meal is intended to be a complete meal. Students wanting to purchase individual items, such as milk or an extra entree, must pay a la carte prices. Any money on your student's account will remain until charges begin again on January 1st, 2021.

The date for free meals could change back to full pay at any time due to the USDA having no more available funding.

UPDATED Spectator Guidelines

On nights where there are 2 games played (JV/V), each player on the home team will have 6 tickets to give to whom they choose. Visiting team players will each have 2 tickets.

On nights when there are 3 or 4 games, the home players will receive 3 tickets each and the visiting players will receive 2 tickets each. There will be extra tickets for sale at the gate on game nights as seating capacity allows.

It will be posted on Powers Lake Public School Facebook page when there are available tickets.

This will be a first come first serve basis.

All home volleyball and basketball games will be livestreamed on the Powers Lake Public School Facebook page.
