We’re glad to have you, and we look forward to helping you get started with your new subscription!

BrainPOP creates animated, curriculum-based content that supports educators and engages students. Our resources include movies, quizzes, games, informational texts, a concept mapping tool, and much more, covering hundreds of topics within Math, Science, Social Studies, English, Technology, Arts & Music, and Health. Our content is mapped to the Common Core and aligned to state and other academic standards.

You can use our resources with desktops, laptops, and mobile devices. Our movies and quizzes are also accessible on mobile apps available for iOS, Android, Chrome, and Windows. Getting started is easy, but if you have any questions, check out our HELP (brainpop.com/help) section! You can also contact us via email at info@brainpop.com, or toll free at 866.542.7246.
