

Free Meals Announcement

September 4, 2020

Dear Bulldog Parents/Guardians,

We are proud to announce that effective today, USDA, our school child nutrition program's policy maker, has extended a waiver allowing us to feed ALL of our students, one free breakfast and one free lunch each school day until the funding for this program runs out on December 31, 2020. This includes virtual, blended and traditional learning students.

This does not include any meals in August; those charges will still need to be paid.

Virtual students need to call in to your building secretary by 11:00 a.m. if you want to pick up a meal. Meals will be available at 12:30 at each location. You will receive a hot meal for the day and a breakfast for the following day.

Please continue to fill out the meal program applications if you have not already done so. These forms are very important for your family and for district funding. This waiver could change overnight so if your family qualifies for the meal program, we want to make sure we have all the information in place so that you do not receive any meal charges at that time. USDA is still working on clarifications for us on this program so there are many questions that we do not have answers for but what we do know is that this is a great opportunity for our students and their families.

As a district, because we know this could change quickly, we will not be refunding any money that is already on the students' accounts. This money will remain on their account when this waiver is removed and we go back to normal feeding practices.

We hope you are as excited about this as we are! If you have any questions, please feel free to contact us at (918) 387-2434 x 3.

Go Bulldogs!!
