

## Food Service Announcement

**9/4/2020**

Students, Staff and Stakeholders,

One of the main priorities for Highland CUSD No. 5 is ensuring that children have access to food. Due to a change in regulations the district will transition to a breakfast and lunch program that provides free meals to any children enrolled in the district. The free meals are available to in-person and remote students registered in the district. The change in regulations is scheduled to end December 31, 2020 or as guidance changes.

The meal process for in-person learners will be the same minus the point of service check out.

Meals for remote learners will be the same as the start of the school year. Meals are available as follows: Monday (2 breakfasts/2 lunches), Wednesday (3 breakfasts/3 lunches). Please note if there is no school on Monday then the meal pick up moves to Tuesday.

The process for meal pick up for remote learners is as follows:

Go to the designated area at the detailed times below to pick up your meals.

Please be advised that the new meal program will begin Tuesday, September 8.
