SCHOOL FEE WAIVERS

Students whose families meet the income guidelines for free and reduced price lunch, the Family Investment Program (FIP), Supplemental Security Income (SSI), transportation assistance under open enrollment, or who are in foster care are eligible to have their student fees waived or partially waived. Students whose families are experiencing a temporary financial difficulty may be eligible for a temporary waiver of student fees. Such fees are those which cover the cost of participation in a course or curricular activity and include the basics; locks, band instrument rentals, and course fees that are required. The waiver will **not** apply to the costs of elective student projects.

Parents or students who believe they may qualify should contact the principal or office manager of their school for a waiver form and submit the form to the principal. The waiver will not be considered retroactively after fees are paid. The waiver must be completed annually as it does not carry over from year to year.

COVID-19 PANDEMIC ILLNESS GUIDELINES

We need your help to keep our community and schools safe for all. Please be open and honest with the school about illness. Please follow these guidelines to keep everyone safe. The health and safety of our students, staff and families is a top priority.

West Liberty Community Schools collaborates with the Iowa Department of Public Health, Trinity Muscatine Public Health, and local healthcare providers to provide guidelines which define when a student is well enough to attend school. During the COVID-19 pandemic, the guidance is modified to meet appropriate public health and safety needs.

The guidelines are for the general population. *Consult your primary healthcare provider to provide guidance regarding your child's specific health needs.*

The general message to families, students, and staff is to stay home if you are not feeling well.

- If you have given any fever reducing medication (Tylenol, Ibuprofen, Motrin, Advil...) please evaluate the reason and do not send them to school if it was for any symptoms related to COVID-19.
- WLCDS recommends all students and staff take their temperature at home daily before coming to the school buildings.
- Plan ahead to arrange how your child will be cared for if they stay home, or need to go home, from school due to illness.

- Notify the school if your child is staying home with an illness. They will ask questions to help keep track of symptoms at the school.
- PLEASE notify the school if your student or anyone in your family test positive for COVID-19.
- Always notify the school office *immediately* if your child's emergency contact information changes.

Symptoms Requiring Absence

- COVID-19 symptoms with no other confirmed diagnosis, cause, or explanation for the symptom(s) warrants reason to not attend school.
- a. ANY one "High Risk" COVID-19 Symptom
1. New Cough
 2. Shortness of breath or difficulty breathing
 3. New loss of taste or smell

AND/OR

- b. Any two or more "Low Risk" COVID-19 symptom or symptoms are not within the person's "norm"
1. Fever of ≥ 100 or chills- *do not come to school if you have a temp ≥ 100 regardless if you don't have other symptoms*
 2. Headache, Muscle / body aches (myalgia), Fatigue, Sore throat, Runny nose, Congestion, Sinus pain, Nausea, Vomiting, Diarrhea

Based on IDPH Guidance: It is important to differentiate your child's typical health status from abnormal symptoms. However, in the midst of the COVID-19 Pandemic, it is important to err on the side of caution; contact your school nurse if you question if you should send your child to school.

If your child has had a "close contact" with someone positive of COVID-19. Public Health defines "close contact" as being less than 6 feet from a person positive of COVID-19 for longer than 15 minutes.

- The first 24 hours of various antibiotic treatments (i.e. strep throat, pink eye, etc.)
- Rash or skin condition that is of unknown cause, undiagnosed, new, and/or needing treatment for a contagious cause.
- Active vomiting or diarrhea due to a suspected contagious illness.
- Doctor's note requiring an individualized plan of care to stay home.
- Other communicable illnesses which pose a risk of disease transmission to others.
- If you have given your child ibuprofen, acetaminophen, or other fever reducing medication within 24 hours of school starting, closely evaluate the reason the medicine was given; if it was given for possible symptoms of COVID-19, the student should stay home.

Entrance Back to School

Symptoms related to COVID-19 (see above)

- If presenting with COVID-19 symptom(s), one high risk and/or two low risk as indicated above, a written note from your primary care provider must be provided before returning to school.
- If you test negative for COVID-19 you must stay home until symptoms have improved, no fever for 24 hours without the use of fever reducing medications and have a written note from your physician that it is ok to return to school.
- Persons with confirmed COVID-19 diagnosis:
 - a. *At least 1 day (24 hours) have passed since recovery defined as resolution of fever without the use of fever-reducing medications and improvement in respiratory symptoms (e.g., cough, shortness of breath);*

AND

- b. *At least 10 days have passed since symptoms first appeared*

Other Related Illnesses - When the cause of illness is diagnosed and confirmed as NOT related to COVID-19:

- Vomiting or diarrhea related to a contagious illness: 24 hours since last episode.
- Fever: 24 hours fever-free without the use of fever-reducing medication (i.e. strep throat)
- After 24 hours on antibiotics for variety of identified bacterial causes (i.e. strep throat)
- Positive test for Influenza: At least 5 days since symptoms started and fever and symptom free for 24 hours without the use of fever reducing medications.
- Doctor's note of clearance for various student-specific medical conditions

It can be difficult to determine if symptoms are related to COVID-19 or other illness. Collaboration and discussion with the school and your health care provider may be warranted if it is unclear of the cause of illness.

We will continue to update the RTL info card with the most up-to-date guidance from the CDC, IDPH, and Muscatine Public Health. We will use the district website and social media to notify the community of any changes. You can always access the RTL info card on the district website.

SCHOOL HOURS

Starting Time: School will begin at 8:15 a.m. All students should be in their classrooms when the bell rings.

Dismissal Time: School will be dismissed at 3:15 p.m. at the high school. All extra class activities will follow this dismissal time. Those students riding buses will be picked up in the front of the building. Buses will depart at 3:20.

Leaving the Building: After leaving school at dismissal time, no student is to be in the school building unless the student has a valid reason. Athletic practices, lessons, working in the media center or with a teacher are valid reasons.

REGISTRATION

Registration is held the last week of July at the high school for all schools. Online registration will also be done on the last week of July and open afterwards. At this time the school book fees, past due fees, and lunch money should be deposited for your student. All necessary paperwork for registering for next school year will be filled out at this time. Please make sure to examine past student records to make sure that all contact information is brought up to date.

New students and families will register at the school that the student will be attending or may register online. At that time you will fill out the requested paperwork and you will need to bring proof of age, last school records, and immunizations. High School students register for their courses in the winter/spring of the previous school year. At this time the parents, student and advisors have time to discuss what they need to take to follow their 4-year plan.

Illness Guidelines TBD - NEW

ATTENDANCE PROCEDURES

The West Liberty Community School District attendance policy (Code No. 501.3) states that students of compulsory age will attend school the number of days school is in session in accordance with the school calendar. The compulsory school attendance law requires you to ensure your child attends school regularly and on time. Compulsory age is a student under the age of 16. If a student turns 16 during the school year, he/she is required to attend through the end of that academic year. Unexcused absences constitute a violation for which penalties may be imposed against you, the parent or guardian. Please be aware that a first offense conviction for violation of the Compulsory Education Law is punished by imprisonment not exceeding 10 days or a fine not exceeding \$100.00 plus costs and surcharges. You have a legal duty to ensure your child receives a full-time education.

Daily, punctual attendance is an important part of the learning experience and is necessary for all students to receive the maximum benefit of the educational program. For this reason, students should not miss more than five (5) days of school in a twelve-week grading period.

If absent more than five (5) absences within a trimester, sanctions may be imposed upon the student. In accordance with Iowa law, it is the parent's responsibility to cause a child to attend school (Iowa Code, Chapter 299).

Reporting Student Absence or Tardiness

- Parents of guardians are expected to notify the high school regarding a student's absence by telephone or a written note within one (1) school day of any absence or necessary tardiness. Without notification within one (1) school day, the absence will be treated as an unexcused absence.

Parents or guardians should call the high school office at 627- 2115 to report absences or tardiness the morning of the absence. When calling, parents or guardians should give the student's name, the date, grade, and the reason for the absence or late arrival. If the high school office has not heard from a parent or guardian by 9:00 a.m. they will be contacted about their student's absence.

If notification is a written note, the parent or guardian shall provide the above information plus the phone number where he or she can be reached to verify the information.

Only a student who has reached majority age or who has become emancipated by marriage and is not residing with his or her parent or guardian may present an excuse for absence without verification.

1. Absences

A student's absence from school may be excused for a valid reason. The decision on whether an absence is excused is at the discretion of the principal despite any approval of the absence by the student's parents or guardians. The decision to treat an absence as excused shall not be unreasonably withheld and shall look at all the circumstances of the absence. The principal's decision on whether or not to excuse an absence is subject to review by the superintendent of the West Liberty Community School District. Valid reasons for excusing absences include but are not limited to the following:

- religious observances;
- illness;
- hospitalization or needed medical care;
- bereavement;
- court appearance or other legal situation;

- medical/dental appointments;
- serious personal or family problems shared with principal or his designee.

The principal, or designee, may, at their discretion request a written excuse from a medical, dental, legal or other professional, as appropriate, if there is reason to believe that the student is abusing the excused absence policies of the high school. The student, and/or his or her parents or guardians must supply said excuse within one (1) school day of the principal's request or the absence will be considered unexcused.

Classes missed because of attendance at a school-sponsored event or trip will not be considered an absence. However, the student will be required to make up work missed.

2. Absences due to suspension

A student's absence caused by suspension will be treated as an administrative initiated absence and will not count toward the total of five (5) days permitted by the attendance policy.

3. Skip Days

There are no school sanctioned skip days for students, and knowledge of one being taken will result in the absence being considered **unexcused**.

DISMISSAL FOR TOURNAMENTS/SCHOOL ACTIVITIES

Excused absences will be allowed if WLHS is participating during the regular school day for state tournaments. Should a student wish to be excused, he/she is to present a note or provide some form of notification to the office to receive a Student Pre-Absence Form - School Activity. This form must be returned to the office with teacher signatures prior to the date(s) the student is to be absent, in order for the absence to be excused. Make-up work or assignments will be due ahead of time at the discretion of the teacher.

STUDENT PRE-ABSENCE APPROVAL

The Student Pre-Absence Form is to be used when a parent/guardian notifies the office of an upcoming absence that is not school related. The student obtains the form from the office, and takes the form to their teachers to receive assignments from all classes that will be missed. The form must be returned to the office prior to the absence for the absence to be excused. This absence will count toward the trimester total.

LATE ENROLLEES

Students enrolling after the first ten (10) days of the term may audit courses or be assigned to the alternative program unless they are transferring from an accredited school.

UNEXCUSED TARDIES TO ALL PERIODS

Students who arrive to school late without a valid excuse: A student's tardy offenses begin accumulating with each new term. Students who are late to first period should immediately report to their first period class where their teacher will mark them tardy unexcused. (If the student believes they should be excused they should be directed to the office.) Unexcused tardies will be handled as follows:

- 1st Offense Warning from teacher and/or office, no consequence.
- 2nd Offense 2nd Warning, parents notified
- 3rd Offense 15 minute detention from teacher and/or office/Coach/Director Notified
- 4th Offense On the 4th unexcused tardy, the student will serve 30-minutes in Detention Hall after school.
- 5th Offense 1-Hour Detention Hall, Attendance Contract Written, Parent Notified
- 6th Offense 2-Hour Detention Hall, Attendance Contract final Warning
- 7th Offense May be dropped from class, with a "WF" on transcript

TRUANCY

Truancy is defined as any absence from the school or an assigned class(es) without the knowledge of the parent/guardian and/or school permission, upon reaching the fourth unexcused absence/truancy in any class within a trimester period, the student may be "dropped" from the class and given a "WF" status on their report card. The West Liberty Community School District attendance policy (Code No. 501.3) states that students of compulsory age will attend school the number of days school is in session in accordance with the school calendar. The compulsory school attendance law requires you to ensure your child attends school regularly and on time. Compulsory age is a student under the age of 16. If a student turns 16 during the school year, he/she is required to attend through the end of that academic year. Unexcused absences/truancy constitute a violation for which penalties may be imposed against you, the parent or guardian. Please be aware that a first offense conviction for violation of the Compulsory Education Law is punished by imprisonment not exceeding 10 days or a fine not exceeding \$100.00 plus costs and surcharges. You have a legal duty to ensure your child receives a full-time education. If your child is of compulsory age and has accumulated truancies, a referral can be made to the Muscatine County Attorney's office.

1. Class work missed because of truancy may be made up for credit. Students will be provided an opportunity for make-up work, but this opportunity does not have to be convenient for the student. The work must be made up within twenty-four hours from the day they return.

2. Students that come to school and then deliberately “skip” a class or classes will receive the following consequences:
- **1st skip/truancy to a period** 1-hour after school detention, parent notification.
 - **2nd skip/truancy to a period** 1-hour after school detention, parent notification.
 - **3rd skip/truancy to a period** 1-day ISS and placed on an attendance contract.
 - **4th skip/truancy to a period** Drop from class, receive a “WF” (withdraw failure) on their transcript.

UNEXCUSED ABSENCES

Below is a list of reasons students will be considered unexcused:

1. Oversleeping
2. Late arrival to class (15 or more minutes late to class without a valid excuse)
3. Failure to clear up an absence within one day
4. Leaving class early without the permission of the teacher
5. Students who are in the building, but fail to report to their assigned class(es)
6. Truancy/leaving campus without permission
7. Missing the bus or a ride to school
8. Excessive family conveniences (e.g., no more than 2 per term)
9. Shopping, hair, nail, tanning appointments; tuxedo fittings
10. Excessive car problems

Students will be provided the opportunity to make-up work for any unexcused absence and/or truancy; however, this opportunity does not have to be convenient to the student. As a rule, a student with an unexcused absence will have twenty-four (24) hours to complete their work upon their return.

EXCESSIVE ABSENCES

1. When a student exceeds five (5) absences in a twelve-week period for any reason other than school activities or suspension:
 - Attendance letter is sent home notifying a parent/guardian.
 - More than 9 absences will result in a “pass/fail” status in the class(es) within a trimester grading period.
 - In a “pass/fail” status, the student may remain in the class(es) and sign an attendance contract which will outline attendance, behavior and academic expectations.
 - Students are allowed 10 days maximum to make up missing work, quizzes, and tests; unless other arrangements are made with administrative approval.
2. Students with ten (10) consecutive absences in a trimester, with the exception of hospitalization or medical excuse, may be dropped from their class(es). In situations involving students with IEPs and or 504 Plans, a staffing team will make decisions about dropping the student or any other placement consideration.

EXCUSED ABSENCE DUE TO EXTENUATING CIRCUMSTANCES:

Extenuating circumstances would include the following:

- a. documented chronic illness
- b. accident or serious injury
- c. hospitalization
- d. serious family emergency/death in family
- e. court appearance/legal situation not under control of the family,
- f. other circumstances deemed extenuating by the principal.

Such absences must have administrative approval. If at all possible, these absences should be pre-approved. Necessary documentation should be provided at the time of the request for extenuating circumstances absences.

Note: Excused and unexcused absences will not be combined for the imposition of consequences under the attendance policy.

Sanctions/Alternative School Options

- When it is determined that a student should be dropped from a class or classes, he or she will receive no credit for the class. In addition, the student may be assigned to a structured study hall during the day. The student may also be allowed to attend the alternative program to make-up credits if appropriate under the circumstances.

REMOVAL FROM CLASS

Most students at WLHS conduct themselves in an acceptable manner in the classroom. However, when a teacher or substitute teacher deems it necessary to remove a student from class because of unacceptable behavior, that student must report directly to the office. Failure to report directly to the office will result in additional consequences.

Students must successfully complete each grade level, grade one through grade twelve and complete the required courses of study prior to graduation as determined by the Board and by the Iowa State Department of Education. To receive a diploma from West Liberty School District, a student must have earned the following number of credits:

REQUIREMENTS FOR GRADUATION: Total Credits to Graduate = 56

|--------------------|-------------------|---------------------------|-------------------|
| English | 9 Credits | Physical Education | 4 Credits |
| Mathematics | 6 Credits* | Financial Literacy | 1 Credit |

*Integrated Science, Earth Science, and Biology are required science courses for graduation (some special education students and ELL students may be excluded from this requirement).

1. American Government and Economics are intended to be taken in a student's senior year.
2. Graduation requirements for special education students will be in accordance with the prescribed course of study as described in their Individual Education Plan (IEP). Prior to the special education student's graduation, the IEP team shall determine whether the graduation requirements have been met.
3. Financial Literacy can be fulfilled by either taking Personal Finance or Economics.

If students come from another school that does not require as many credits as our district's high school, and if those students would thereby be in danger of not graduating at the regular time, individual consideration will be given by pro-rating the number of credits needed for graduation according to the amount of time the student spent in the other school.

School Board may adopt a resolution to modify graduation requirements for special circumstances.

GRADING

Grading System – Reports of students' achievement are issued every twelve weeks. The grading system to be used is a weighted scale system. All courses, with the exception of driver education, are included when figuring grade point averages and class rank. Honor class points are also included at this time.

West Liberty High School Honor Classes: ALL Advanced Placement (AP) courses offered and taught at WLHS are considered Honor Classes and count for Honor Class Points.

FAILED COURSES

Failed courses will result in loss of credit. If it is a required class, the student will need to take the class again until they have successfully completed the requirement.

REPEATING A COURSE FOR GRADE

A student may elect to repeat any course to improve their grade. Only the most recent grade will be used in the student's grade point average. Credit can be awarded only once, and a student cannot gain additional credit or lose credit by repeating a course where credit was already earned. A course being repeated may not be taken on a pass/no pass basis. Formal application to repeat a course for a grade must be made with the principal or designee. Application must be on or before the fifth (5th) day of the term.

AUXILIARY CREDITS

All courses taken through another program or any other institution need prior approval by the counselor or the principal if the coursework is to be credited on the West Liberty High School transcript. Furthermore, all coursework taken through another program, and/or institution will receive credit only. Auxiliary coursework grades will not be used when figuring grade point average. Examples of auxiliary credits may include but not be limited to Correspondence Courses, Online Advanced Placement courses, Advanced Research Projects, Academy College Courses, Edgenuity courses, etc.

HOMEWORK

Teachers assign homework, extra class activities or assignments as necessary. Homework is an opportunity for students to practice skills and activities, to share and discuss ideas, to review materials, to become acquainted with resources, to organize thoughts, to prepare for classroom activities or to make up incomplete class work.

Students are expected to complete homework on time. Students who do not complete their assignments may be required by a teacher to stay after school to complete assignments. Students failing to stay to make up homework may be required to serve a detention. In addition, failure to complete homework may result in loss of class credit and a failing grade in the class.

MAKE-UP WORK

When a student knows that he/she will be absent from class, he/she is expected to receive an advanced admit from the office and meet all teachers' requirements in advance. When a student has been absent, it is the student's responsibility to meet with all teachers upon returning to receive the work missed and establish deadlines for the completion of that work. It is the **student's** responsibility to approach the teacher no later than the next regularly scheduled class period when the student returns to school. If the student fails to meet with the teacher, the student will not receive credit for the make-up work. All work (assignments, projects, tests, etc.) announced in advance would be due on the announced day regardless if the student were absent the previous day. Exceptions may be made at the discretion of the teacher. Any assignment due the day the student was absent is due on the first day back if they were aware of the assignment. A student will be expected to make up any test missed during an absence if they were aware of the test before they were absent.

MAKE-UP POLICY

Absences due to illness or other unforeseen reasons: The student is required to complete make-up work in the same number of days as the absence(s) plus two additional days. In cases of prolonged illnesses special arrangements may be made with the teacher.

Absence for school-sponsored activities: The student must have his or her work made up on the next day following the activity. Upon returning to school, the student is expected to participate in scheduled class activities.

Absences due to suspension: Academic work must be made up during the suspension period or as arranged with the teacher.

Absences due to truancy/skipping class(es)/unexcused absences: The student is required to complete all course work missed in the same number of days as missed for the truancy and/or unexcused absence. For instance, if the student is unexcused for one day, s/he must complete all course work for the next day. It is the student's responsibility to obtain all assignments that occurred during their period of truancy/unexcused absence upon their return to school or class.

Late Work: Students are expected to complete all assignments, homework, tests, quizzes on or before the end of the unit as defined by the teacher. Late work handed in after the unit will result in a zero. In cases of prolonged illness (i.e., 5 school days or more) or an emergency, special arrangements may be made with the teacher.

PASS/NO PASS

Students in grades 11 and 12 may have the opportunity of choosing one Pass/No Pass course per trimester providing that it is not a required course. NO course, which can meet a graduation requirement, can be taken on a Pass/No Pass basis (unless the required course was previously taken). Additionally, the Pass/No Pass option applies only to elective courses in the subject areas of English, Math, Science, and Social Studies, and not to include Advanced Placement courses, and the Foreign Languages. The Pass/No Pass decision must be made prior to the end of the first 30 days of any term. Contract forms for this option may be obtained in the high school office.

PROGRESS REPORTS/MID-TERMS

Progress reports are posted at conference time. Failing progress reports are mailed home. Report cards are issued during each trimester through the school year. Grades can be accessed at any time through Infinite Campus. Contact the office if you need a username and password.

If anyone needs to have a duplicate sent to another location, you must contact the high school office and let the secretaries know.

EXAMS

The term exam schedule will be established based upon the official school calendar. Each student will take all term exams. The term exam will count as 1/5 (20%) of the term grade.

PHYSICAL EDUCATION EXEMPTION

Students may "opt" out of physical education if they demonstrate one of the following conditions.

Religious Exemption – Physical education and health exemption: A pupil shall not be required to enroll in either physical education or health courses if the pupil's parent or guardian files a written statement with the school principal that the course conflicts with the pupil's religious beliefs.

Athletic and Academic Exemptions – A twelfth grade student may be excused from the physical education requirement by the principal of the school in which the student is enrolled under one of the following circumstances: **1)** The student is enrolled in a cooperative, work study, post-secondary course, or other educational program authorized by the school, which requires the student's absence from the school's premises during the school day. **2)** The student is enrolled in an academic course not otherwise available. **3)** An organized or supervised athletic program which requires at least as much time participation per week as one-eighth unit of physical education.

Students in grades ten (10) through eleven (11) may be excused from the physical education requirement to enroll in academic courses not otherwise available to the student if the board of directors of the school district in which the school is located, and /or the principal determine that the students from the school may be permitted to be excused from the physical education requirement.

Note: "not otherwise available" means the course must be in direct conflict with physical education and cannot be taken at any other time during the day.

The student's parent or guardian must request the excuse in writing. The principal shall inform the superintendent that the student is excused. Section 256.11, Iowa Code and 1994 School Rules of Iowa, Chapter 12.5(5) "f".

SCHEDULING CHANGES – ADDING, DROPPING, CLASSES

ADDING A COURSE:

Students can add a course in the first **three** (3) days of each trimester.

DROPPING A COURSE:

- A. Any drop of a course within the first 15 days of the term will not be reflected on the student's transcript.
- B. A drop occurring between the 16th day and up to the 30th day of the term will be recorded as a "W".
- C. Any course dropped **after** the 30th day of a term will appear on the transcript as a "WF" if the student withdrew with a failing grade or a "W" if the grade is passing.
- D. Any course dropped after the 40th day of a term will appear on the transcript as a "WF" regardless of a passing grade.**
- E. The student must attend the course until the Course Drop Form has been completed and returned to the counselor or office and teacher notification to drop the course is obtained.
- F. **Advanced Placement** Course drops must be reviewed with the teacher and approved by the student's parent/guardian.
- G. Student-Athletes/Student-Activity participants must be enrolled in at least 5 courses to maintain academic eligibility the trimester(s) of their activity/sport.
- H. Student-Athletes/Student-Activity participants may take only one (1) *Edgenuity* course a term to maintain eligibility. Student-Athlete-Activity participants must add an *Edgenuity* course on or before the 16th day of a term to maintain eligibility.
- I. Extenuating circumstances may require administrator approval.

CONCURRENT ENROLLMENT

Students can elect to enroll in college/vocational school courses while still in high school at the district's expense if they meet certain requirements. Eleventh (11) and twelfth (12) grade students are eligible if they choose a course we do not offer and if they have taken all available sequential courses from West Liberty High School. Ninth (9) grade and tenth (10) grade students are eligible if they are identified as talented and gifted and take a course, we do not offer (Iowa Code section 257.43).

Both high school and college credits are awarded for these courses. West Liberty Community School District will pay a maximum of \$250 per student per semester for tuition and books. Prior to taking a course, students must receive approval from the school by filling out a form provided by the office. In practical terms, almost any course (not presently offered at West Liberty High School) found at any of the area community colleges, colleges, and universities will be approved for payment and credit toward graduation. The student must carry a minimum of two courses at the high school during the trimester/semester he/she is enrolled at another institution. The district must approve all courses. See the high school office for more details. Any student who withdraws or fails a course must pay back the cost of tuition to the school district (20 U.S.C. 1091b).

INDEPENDENT STUDY RESEARCH/PROJECTS

Students in grades 11 and 12 may enroll in an independent study course only if that course is not currently being offered in the curriculum. Juniors and seniors must submit a request for independent study proposal in writing to the principal or designee. If approved by the principal and a faculty member agrees to serve as advisor and evaluator, the student will, upon successful completion of the project, earn academic credit.

The following is a list of guidelines and procedures for independent study classes:

1. Juniors and seniors are eligible for the program.
2. Independent study projects for credit will not be included as part of the minimum course load requirement and will not replace any courses required for graduation.
3. A teacher must agree to serve as advisor, supervisor of the project, and evaluator. The advisor's approval must be secured before the project begins.
4. Applications may be submitted at any time to the office. Projects are to be completed prior to the end of the term for which credit is to be issued.
5. The student will meet with the faculty advisor to establish guidelines for the project. A time schedule for completion of the work and schedule of regular meetings between the student and teacher will be established.
6. The student will be evaluated on a credit/no credit basis (the regular grading system will not be used).
7. The faculty advisor must evaluate the project prior to credit being awarded.

ADVANCED RESEARCH

The Advanced Research Project provides research experience for serious students with a strong interest in the core subject areas. Core subject areas include English, math, science, and/or social studies.

Enrollment is limited to those students who have successfully completed at least three years of science, math, English, and/or social studies. One credit will be awarded at the completion of the project. Students will be graded on West Liberty High School grading system listed under *All Others*. Advanced Research Projects may not be used for early graduation. A teacher must agree to serve as advisor, supervisor of the project, and evaluator. The advisor's project must be secured for which credit before the project begins. The student will meet with the faculty advisor to establish guidelines for the project. A time schedule for completion of the work and a schedule of regular meetings between the student and teacher will be established.

STUDENT RECOGNITION

AP SCHOLAR

The AP Scholar will be granted to students who receive scores of 3 or higher on three or more AP exams within the same May testing period. A medal will be given to recognize their outstanding effort.

ACT "29+ CLUB

This is special recognition for graduates who earn a 29 or higher composite score on the ACT test. Names of recipients are placed on permanent display and will be recognized at the senior awards program and during commencement exercises.

VALEDICTORIAN

The valedictorian medal is awarded to the top student who graduates with the highest cumulative grade point average of the graduating class. In the event of a tie, multiple valedictorian medals will be awarded.

SALUTATORIAN

The salutatorian medal is awarded to the second highest cumulative grade point average of the graduating class. In the event of a tie, multiple salutatorian medals will be awarded.

ACADEMIC EXCELLENCE

Students who maintained a high scholastic standing of 4.0 + cumulative grade point average will be honored at commencement ceremonies.

HONOR ROLL

Honor roll grade point averages are computed by adding the grade point of the courses and dividing by the number of courses. The following course will be excluded when figuring grade point average: driver education. Below are the three (3) categories for honor roll.

- Principal's Honor Roll 4.00 and above grade point average
- Blue Honor Roll 3.50 – 3.999 grade point average
- White Honor Roll 3.00 – 3.499 grade point average

Honors courses are used in figuring the honor roll grade point average, which could result in a grade point average higher than a 4.00.

ACADEMIC LETTER

The official school letter is awarded to students in grades 9-12 who earn a minimum grade point average of 3.5 for three consecutive trimesters within the same academic year. The "Academic Letter" is identical to the Athletic Letter except for the word "academic" printed on the side. Once a student has earned a letter, additional consecutive trimesters of 3.5 grade point average will receive an academic pin. In addition to the 3.5 grade point over three consecutive trimesters, students may receive no failing grades and must carry 5 classes per trimester.

SENIORS

SENIOR RELEASE TIME

Seniors have Open Campus privileges. Open Campus is a privilege provided for those seniors who have demonstrated a high level of maturity and can handle the responsibility of a less structured school environment. While seniors are on Open Campus, it is very important that they are in school for their classes and advisement period when necessary. Students must adhere to the following responsibilities:

1. If a student wishes to be on campus during their open campus time, he/she may study or wait quietly for the bell to ring in the commons area or the library. Loitering in the building, hallways, parking lot, inside vehicles, or being in an unsupervised area will not be tolerated. Furthermore, students involved in difficulties in the neighborhood, with faculty and staff, downtown and businesses, and with other attendance centers in the district during open campus time will result in loss of privileges for the remainder of the term.
2. Students must be on time for all classes. A 7th unexcused tardy to school and or to class may immediately result in loss of open campus privileges for the remainder of the term.
3. A Senior must be in good academic standing and must pass all classes at the end of each term to earn their eligibility for Open Campus privileges. Seniors with a failing grade(s) at the end of a term may have their privilege revoked for the whole next term.

4. Seniors are responsible for reading the daily announcements and to stay informed of changes in bell schedule, advisement period meetings, college visits, and end-of-the-year details.
5. A parent, principal, or the assistant principal may remove Open Campus privileges from a student at any time.

COLLEGE VISITS

All students visiting a college campus with or without their parents will be counted absent from school, however, it will not count against their attendance and is considered a School Activity. Students wishing to make an on-campus visit must pick up the proper form from the office. Students must have all of the signatures from their teachers before the visit is approved.

TRANSCRIPTS

Students requesting transcripts to be mailed must notify the guidance office with the name and address of the college they want them mailed to.

Transcripts may also be printed for personal use by the student for scholarship applications. These records are held at the high school office after students graduate, along with their personal immunization records. Future transcript and immunization record copies may be requested at the high school for jobs and school applications by the graduate. These records will never be released to the general public without written consent from the graduate/student on the transcript.

EARLY GRADUATION

Generally, students will be required to complete the necessary course work and graduate from high school at the end of grade twelve. Students may graduate prior to this time if they meet the minimum graduation requirements stated in the board policy.

A student who graduates early will no longer be considered a student and will become an alumnus of the school district. However, the student who graduates early may participate in prom, senior activities, and commencement exercises. Early graduation must be pre-approved through the Board of Education. The requirement of Government and Economics will need to be taken the first trimester of the senior year. A student must complete the necessary application and have a conference with the high school office before the application is forwarded to the Board of Education.

DRIVING AND PARKING

DRIVING & PARKING REGISTRATION

Driving and parking on school owned property is a privilege. Students are expected to park in parking slots that run north and south in the parking lot. ALL DIAGONAL parking in front of the high school is reserved for faculty and visitors. No student will be allowed to use and/or access his/her vehicle during the school day without permission from a school official. Students are not to be in the parking lot at any time during the school day. This means that all students who drive cars, motor scooters, or motorcycles are bound by these rules and that all students must park their vehicles in the east side parking lot. Students are not allowed to double park or otherwise park outside the painted lines in the parking lot.

The school will not be held responsible for damages to vehicles by weather, theft, accidents, vandalism; or loss of articles left in vehicles. Students are strongly encouraged to lock their vehicles at all times. Note: Vehicles on school property are subject to search under state law. (Reference Code No. 504.5).

PARKING VIOLATIONS/ILLEGAL PARKING

Students who drive accept responsibilities for parking their vehicles correctly. Parking violations and or illegal parking include the following: parking in slots reserved for teachers; parking in slots marked for visitors; parking in the fire zone (front of building, circle drive –anytime of day and/or evening); parking by the Ag-building during the school day; parking and/or driving on the grass and sidewalks; parking in handicapped slots marked handicapped and without a handicapped tag. Illegal parking or parking violations will result in the following consequences:

- 1st Offense: \$1.00 fine
- 2nd Offense: \$2.00 fine
- 3rd Offense: \$3.00 fine; all subsequent parking violations will result in fines of \$3.00.

CARELESS DRIVING

Driving on school district property carelessly or without due caution so as to endanger a person or property:

- 1st Offense: Warning; 1-hour detention; or 1-day in-school suspension.
- 2nd Offense: Will be treated as insubordination.
- 3rd Offense: Will be treated as insubordination; may result is loss of parking privileges.

SCHOOL DRIVING PERMITS

School driving permit forms must be picked up from the department of transportation. A student must live at least one (1) mile from the high school and have successfully completed a driver education course. Students that do not follow the state restrictions for school permits may have their permit revoked.

HIGH SCHOOL DRIVER LICENSE SUSPENSION

DISCIPLINE

The discipline policy establishes the rules governing the conduct of pupils in order to maintain a disciplined scholarly atmosphere, to achieve maximum educational benefits for all students, and to permit the orderly and efficient operation of the building.

Students are to conduct themselves in a manner consistent with their age and grade level. For all students, this includes respect and consideration for others. Students who exhibit inappropriate behavior in the opinion of the staff and/or administration shall be subject to discipline. Inappropriate behavior includes behavior which disrupts or interferes with the educational program, the orderly and efficient operation of the school or school activity, the rights of other student to participate in the educational process or activity, or the educational atmosphere. Disciplinary measures may include, but not be limited to, removal from the classroom, detention, suspension, and/or expulsion.

The discipline policy shall apply to students during the following situations:

1. While students are on school property
2. While students are being transported on school transportation vehicles.
3. While students are attending or participating in school activities, either home or away.
4. While away from school ground, if such conduct would directly affect the good order, efficiency, management, and welfare of the school.

Before a student is subject to disciplinary action, the following minimum steps of due process must be offered to that student:

1. The student must have been informed of the conduct, which is expected or prohibited.
2. Prior to disciplinary action, an informal hearing will be held with the student at which time notice is given as to what he/she is accused of doing.
3. An opportunity should be given during the hearing for the student to present his/her side of the story.
4. The administrator must make the decision relating to disciplinary action based upon the incident, which has been appraised from the knowledge gained.

Detention

1. Detention – Time served outside the regular school day. Any staff member may impose detention. The student will be given a full day's notice before detention is served. While at detention, the student is required to work on schoolwork. The student is responsible for arranging transportation to and/or from the detention.
2. Temporary removal from class – A student may be removed from class for disciplinary reasons for up to three-days on the first offense.
3. Removal from class – A student may be dropped from a class for repeated or serious offenses.

Detention Hall

Detention Hall is a disciplinary alternative available for use during the school year. Detention may be assigned to students who require disciplinary action, which is of such nature that it requires less than a suspension. Detention allows students the opportunity to serve their disciplinary action while attending school full time, there by taking full advantage of the opportunities of regular school attendance. It also allows the student to complete work assigned by the classroom teacher. All school rules in the Code of Behavior apply to student while attending detention. In addition, the following guidelines apply.

1. Detention Hall will be thirty (30) minutes to one (1) hour in length depending upon the infraction.
2. The student is responsible for his/her own transportation to and from the building.
3. Standards of behavior while attending Detention Hall:
 - Students will not be allowed to use the phone (cell or other).
 - Students may not leave their seats without permission, movement around the room will not be permitted.
 - Student may not lay their heads down on the desk or sleep.
 - Students may not talk to other students.
 - Students must bring books, papers, and pencils/pens.
 - Students may not bring food or beverages.
 - Students must spend the time in quiet study or reading.
 - Students will follow the instructions of the teacher.

Students violating any of the Detention Hall rules will be removed from detention. They will receive additional consequences.

- Students will not be released from detention for work, computer lab work or co-curricular activities (i.e., athletic contests, practices, lessons, play practice, etc.).

If a detention date needs to be changed, it must be changed 24 hours prior to the date assigned, upon notification from a parent/guardian.

FAILURE TO SERVE DETENTIONS

Not serving a detention by teacher

- First Offense: Double the original detention assigned, or Lunch Detention.
- Future Offenses: Conference with Administrator to determine disciplinary action may result in detention time doubled; to Detention Hall; to suspension.

POTENTIAL CONSEQUENCES

When a student breaks a rule or policy, he/she is subject to disciplinary action. Disciplinary actions may include but are not limited to detention, suspension, or referral to the Board of Education and expulsion.

PLANNERS/ HALL PASSES

All students will receive a planner at the beginning of the school year. The planners serve two purposes: A student organizer and a passport in the hallways. Replacement planners can be purchased in the high school office for a nominal fee. Students are not to be in the hallways during classes unless they have a proper pass (signed pass or signed with times in passport from student planner from a faculty member).

Student ID/Lunch/Library Number

Students are assigned a number to be used for Lunch and Library materials check-out. This number should remain confidential to the student.

CHEATING

Students are expected to do their own schoolwork. Cheating by looking at another student's schoolwork, copying others' work, copying from other sources or similar cheating is not tolerated. In addition to the discipline outlined in this handbook, discipline may include the loss of class credit.

LEAVING BUILDING DURING SCHOOL

If a student becomes ill or must leave the building during the school day, he/she must report to the office before doing so. No one is to leave the building during school hours for any reason without first obtaining prior approval from the high school office. Students who leave school during the day for a medical or dental appointment must sign out at the office, and also have a signed verification from the doctor or dental office to bring to the high school office upon returning later that day or the following morning, in addition to the note from your parent.

SPORTSMANSHIP AT EVENTS

All students are strongly urged to participate in or attend school activities. Good sportsmanship dictates that visiting teams be treated as guests. Students that do not behave in a manner that is considered to be appropriate by school officials will be asked to leave the event, regardless if the event is at home or away. A student may be banned from attending any activity if in the opinion of school officials, the action(s) of the student warrants such a response.

GANGS

For purposes of disciplinary action, a gang shall be defined as a group of three or more people who 1) have a name; 2) claim a territory; 3) interact together to the exclusion of others, 4) have rivals and enemies; and 5) exhibit anti-social behavior often associated with crime or a threat to the community. Gang behavior which initiates, advocates, or promotes activities which threaten the safety or well-being of persons or property on school grounds or which disrupts the educational environment is prohibited. Any student wearing, carrying, or displaying gang clothing or exhibiting behavior or gestures which symbolize gang membership, writing gang graffiti or causing and/or participating in activities which intimidate or adversely affect the educational activities of another student, or the orderly operation of the school shall be subject to disciplinary action. Iowa Code chapter 287 prohibits public school pupils from participating in secret societies; therefore, clothing and symbols which represent such groups are also expressly prohibited during school and at school activities. (Reference Code No. 502.1).

Any electronic device brought to school for the purpose of communication or entertainment includes cell phones, laptops, pagers, and any wireless device that can send and/or receive data or information.

CAFETERIA/COMMONS

MISCONDUCT IN COMMONS

The school district operates a breakfast and lunch program. Students may either bring their own lunches to school or purchase a lunch and other items, including milk. In order to promote an efficient, clean, and enjoyable commons, students should observe the following rules:

1. All lunch litter is to be placed in the waste containers.
2. Students involved will clean up spilled food.
3. All trays are to be returned to the dishwasher's window.
4. When finished eating, students must remain in the commons, until released by the bell. Since other classes are in session during lunch, there will be no loitering near classrooms or hallways.
5. Food and drinks are not allowed in the hallways, or outside.
6. Students will be expected to be courteous and cooperative in the commons.
7. Students are not to go to their lockers until the bell rings.
8. Students may be granted permission to go to the library, office, or meet with a teacher; however, students must have a written permission pass.
9. Loitering in the parking lot, outside and outside the front entrances, and/or in the hallways during lunch period is not permitted.

LOCKERS

Hallway lockers will not be used for the 2020-2021 school years. Students are encouraged to have a durable backpack. P.E. lockers will be available for students who have P.E. or athletic participation. Students will only be allowed to go down the P.E. hallway during their scheduled P.E. class.

INSPECTION & SEARCHES

Students' lockers are the property of the school district. Students shall use the lockers assigned to them for storing their school materials and personal items necessary for attendance at school. It shall be the responsibility of each student to keep the student's locker clean and undamaged. Any expense to repair damage to a student's locker is charged to the student.

A student, the student's belongings, locker, backpack/book bag or car may be searched by school officials whenever they have a reasonable suspicion that the student has violated or is violating either the law or school rules bearing on order or safety and that the search will produce evidence of the violation. The student will be invited to be present for the search when feasible. Any contraband (items possessed in violation of law or school rules) will be confiscated and may be turned over to law enforcement.

School officials may search student lockers, backpack, or book bag (as well as personal possessions and automobiles on school property) whenever they have a reasonable suspicion that a school district policy, rule, regulation, state law or federal law has been violated and that a search will produce evidence of the violation. As a result of such a search, items whose presence violates school district policies, rules, and/or regulations will be confiscated. All illegal items found will be confiscated and may be turned over to law enforcement officials.

From time to time, school officials will patrol the parking lot. Items of contraband that are visible when a person looks into a student's vehicle may create a reasonable suspicion for further search. The student will be asked to consent to the search. If consent is refused, the student's parent or guardian will be contacted for consent. If the apparent contraband is illegal, law enforcement will be contacted. Iowa Code 808A-1(5), 808A -2(1) (a).

Finally, West Liberty High School in cooperation with law enforcement officials, may conduct routine building inspections using a canine unit or "drug dog." These inspections are done during class time, before school, or after school hours. This is a precautionary measure, and not an alarm that signals any drug use. However, if information is produced during an inspection that constitutes "reasonable suspicion," the administration will search within the guidelines of district policy and Iowa statute.

EMERGENCY

EVACUATION DRILL

Upon hearing the order to evacuate, by fire alarm, students and staff will move quickly and silently to the evacuation site. Teachers are to take their red emergency folders with them, and accompany their students to the site. When safe to do so staff will take roll, and report any missing student to the Principal or designee. They will then walk, or bus, the students to the site, reassemble them, and take roll once more. Again, the staff will report to the Principal or designee any missing students. Students will not be released from the site by themselves or with any other person, including parents, guardians, other relatives, etc., until approved by the designated school personnel. Teachers and other staff are to remain with the students until further directions are issued by the Principal or designee.

FIRE DRILL

Fire drills will be designated by a continuous blast of the fire alarm system. Students are to go out the assigned exits and move directly to the southeast corner of the student parking lot. Once there, students are to quickly assemble according to their Advisement period section. Guests, other staff members, and resource students will line up on the south end of the parking lot first, followed by the 9th graders, the 10th grade, the 11th grade and finally the 12th graders. Once all students, faculty, and guests are accounted for, they will then be given further instructions from the principal or designee. Exit the door closest to the classroom following the instruction.

In case a fire is blocking off the class from exiting the assigned door, faculty should instruct their students to use the closest exit doorway, and then report to the front parking lot designated area as quickly as possible.

REGULATIONS

1. Always stay on the side of the corridor on which your room is located.
2. Leave the classroom and building single file.
3. Be orderly and quiet.
4. Do not push, run or talk.
5. When the fire alarm system sounds books and materials are to be left on the desks.
6. All windows and doors are to be closed and all lights are to be turned off.
7. Advisors should bring their advisement lists and their red folders with them to the parking lot.
8. After leaving the building, assemble in class groups in the front of the student's parking lot according to the wall map.
9. Treat each fire drill as if it were a fire.

TORNADO DRILL

In case of a tornado, the classrooms will report to the safe rooms (ae: weight room and wrestling room). Advisors names will be posted on the walls and advisors and students should report to their designated areas.

INSTRUCTIONS:

1. Continuous blast of the fire alarm system will indicate the approaching tornado.
2. Students will proceed directly to their designated area in the Tornado Safe Room.

Our meetings are a casual and open space to share ideas about social issues, and to just relax in a non-judgement environment.

ART CLUB— is a group of students who enjoy art that meets weekly in the art room. Any high school student may join; one does not need to be in an art class to join. In fact, art club provides artistic opportunities for those who are unable to fit art class into their schedules. However, it is also an opportunity for those in art classes to catch up on their work should they need extra time. The weekly agenda changes: some weeks we may have a guest artist visit or we may go on a field trip to see local art, some weeks we may concentrate on a group effort such as a mural or project for the community, or some weeks students will concentrate on their own art using a variety of media such as drawing, painting, sculpture, or clay. Contest opportunities are also presented. Students may attend for the entire year or simply during seasons when they aren't involved with something else (for example, soccer or football seasons). We elect officers.

NATIONAL HONOR SOCIETY - The criteria will be used to select eligible, self-nominated students to the National Honor Society:

A Faculty Council will be convened to verify all the information submitted by the student candidates.

Discipline & Dismissal of National Honor Society Members

National Honor Society members must understand fully that they are subject to dismissal if they do not maintain high standards of scholarship, leadership, service, and character that were used to as a basis for their selection to National Honor Society. Members will be informed that they are allowed limited warnings during their membership, but in case of flagrant violations of school rules or civil laws, a warning is not required for dismissal but a hearing will occur. A violation of any Good Conduct standards, 1-6, as defined in the West Liberty High School Student-Parent Handbook, constitutes the bases of a flagrant violation.

Before a member is considered for dismissal, appropriate written notice must be provided and a hearing must be scheduled for the member to present his or her case prior to the vote of the Faculty Council. Once the member is given notice and the opportunity to respond to charges and/or violations, the Faculty Council may vote to dismiss the member. A parent/guardian may be present with the member, however, it should be noted that the primary focus of the hearing is to allow the member to present his or her case.

If the member is dismissed, a written notice of the decision should be sent to the member, and his/her parents, and the principal. The member then must surrender the National Honor Society certificate, emblem and membership card. A member who is dismissed or who resigns is never again eligible for membership in National Honor Society. The dismissed member may appeal the decision of the Faculty Council, under the school district's policies governing appeals in the district, following the normal channels for an appeal process.

SILVER CORD PROGRAM

Silver Cord Program is a program in which we show the students the importance of community service and encourages students to invest in their community.

When and How can you do it?

Students can begin Silver Cord hours the fall of their freshman year through the spring of their senior year. Students need to have 30 volunteer hours every year, with a total of 120 by the spring of their senior year.

Reward

Students will have the honor of wearing a silver cord during their graduation ceremony.

SCIENCE CLUB - West Liberty High School has partnered with the University of Iowa to give advanced biology students the chance to collaborate with working scientists and each other to conduct research on real-world medical issues. Science club members are mentored by U of I graduate students and faculty as they research genetics, biochemistry and cell biology and how they relate to various diseases. Students then present their research at the Eastern Iowa and Iowa State Science Fairs (EISEF/SSTFI) in the spring.

INTERACT CLUB- Interact is a Rotary sponsored club that focuses on building leadership through service learning. Each year, we participate in local, national, and international projects. We meet once per month to plan for upcoming events, but service projects continue throughout the year. Members have ample opportunities to gain silver cord/volunteer hours through projects like making blankets for the children's hospital and providing childcare for local events.

PUBLICATIONS

WLHS YEARBOOK-The yearbook is a pictorial record of the personnel and the events of the school year. West Liberty High School publishes one each year and has done so for many years. Each year students get involved with this project by signing up for Yearbook. Besides designing the book, advertising sales and contacts are made to help support the project.

SCHOOL SPIRIT AND TRADITION

An excellent administration, faculty, student body and building all are vital ingredients in the establishing of desirable school traditions and school spirit. Yet, it is the attitude and feelings of each individual student, teacher and administrator that truly determines how outstanding a school will be. School spirit is the way an individual feels toward one's school. It is pride in one's school, pride in oneself which motivates one to demonstrate desirable attitudes toward the school. School spirit is knowing that one's school is the best and doing everything possible to keep it that way.

This section will present the traditions that are presently part of West Liberty High School tradition.
