00:08:26   Candice Sears: Good evening, Milton-Union families!
00:11:57   Candice Sears: Thank you for your leadership, Dr. Ritchey!
00:13:20   RitcheyB: https://www.muschools.com/article/295395
00:14:02   Candice Sears: Please share questions here. We will do our best to answer your questions.
00:15:21   RitcheyB: The grade breakdown for device pick-up and exchange is at the link. (The information Mr. Nealeigh just shared.) https://www.muschools.com/article/295395
00:15:32   Bekah: Are we receiving different login information from what was on our devices when we picked them up?
00:15:54   iPhone: are the AP classes going to be offered through remote? Or honors classes?
00:16:45   Jennifer Schwarz: How is this going to work with students who are on a 504 plan?
00:16:48   RitcheyB: The log-in is the graduation year, student last name, and first initial. For example, 23ritcheyb...this is the same user name students use to log-in to their devices.
00:17:26   Bekah: That is what I tried, but it did not work and I am now locked out of the system.
00:18:00   Candice Sears: We will address the question regarding AP and Honors courses during the Q&A component of tonight's orientation.
00:18:31   29MartinS: When we signed in you have to capitalize the first letter of last name and capitalize the first letter of first name.
00:18:57   Chloey Williams: will virtual students need to log in at certain times, or is their work to be completed on their own time ?
00:19:11   Bekah: Is she muted, I lost sound. Yes I put it in Exactly as it is on the device.
00:19:21   Candice Sears: @Jennifer- Please work with your child's case manager on the details within your child's 504 plan.
00:20:01   Candice Sears: @Chloey- Great question! We will discuss these details together with everyone.
00:20:47   Jennifer Schwarz: She is entering 6th grade this year and are unsure of what you mean by case manager? We obtained the 504 plan the day before we went to remote learning last school year.
00:20:48   Kim Puckett: @Beckah what is the student first and last name and grade level? I will take a look
00:20:58   Sarah Ecklebarger: do they do zoom classes like with a teacher?
00:21:11   KRISTY HALL: I missed if they said what time students have to login every day
00:22:50   Leah Wells: what is login time?? Is it an actual class? how do you access this website??? i had no audio in the beginning.
00:23:30   Bekah: Yes I lost Audio as well, completely missed about 8 minutes or so
00:24:32   RitcheyB: miltonunion.e1.schoolsplp.com/login
00:24:47   Candice Sears: We will show how to login again...
00:25:11   melissa: can my child erase a message withouy me knowing
00:25:46   Candice Sears: @melissa- no

00:26:03   melissa: thank you
00:26:16   Mandy: I can't get any of the tabs to open besides the messages.
00:26:16   Kim Puckett: There is a link to the PLP website where you log-in on muschools.com website. It is on a red button just below the pictures on each of the school building pages.
00:26:21   Mick - Milton-Union Schools: Sample username: 23RitcheyB (2-digit graduation year, Last name, First Initial of first name) sounds like it is case-sensitive
00:26:37   Candice Sears: @Bekah- This session is being recorded. We will be sure the link is made available to everyone.
00:27:21   Sarah Ridgeway: login is not working for me
00:27:30   Bekah: @Candice thank you
00:27:49   Candice Sears: @Bekah- You are welcome!
00:29:42   Bekah: Who was the one who asked for my childs information since I was having login trouble, I had to log out and log back in because I lost Audio, and when I logged back in I lost chats that were there before hand.
00:30:25   Sarah Ridgeway: are we able to login now or does it become active on the 8th? my child's username and password does not currently work.
00:30:25   RitcheyB: @Sarah - Send me a message with your student's first and last name, and I will work on the log-in. ritcheyb@muschools.com
00:30:26   Kim Puckett: @Bekah - I'm hoping to reset the access if you can share the name and grade with me
00:30:36   melissa: what did she say about printing?
00:31:12   Bekah: @ Kim 1st grade E KorteRalidak
00:31:22   Sarah Ridgeway: 33HarperI
dogs
00:31:22   Candice Sears: @melissa- Printing is not necessary. A child can still be successful in the course without printing. You are welcome to print items if you'd like.
00:32:09   melissa: even assignments? and how would they be turned in
00:33:10   Candice Sears: @melissa- Mrs. Anderson will share some ways in which assignments may be submitted.
00:33:11   Kim Puckett: @Beckah please try 32KorteRalidakE and the password dogs
00:33:28   Sarah Ecklebarger: do they get zoom lessons
00:33:55   Bekah: @Kim That is exactly how I tried earlier. I tried and tried and then it locked me out
00:33:57   Josh Deem: is this for elementary only or high school as well?
00:34:39   Candice Sears: @Sarah- Zoom sessions are not part of the standard lesson delivery. If your child needs additional support/ has questions, we recommend your child reach out to the teacher.
00:34:46   Kim Puckett: @Bekah I just logged into the admin portal and reset her account.
00:34:54   Candice Sears: @Josh- This is offered K-12.
00:35:04   RitcheyB: @Sarah - Your user name and password should work now.
00:35:56   Bekah: @Kim so It should work now? What if I try again and it still does not work
00:36:13   Heather Beverly: can someone reset our account we are locked out

00:36:44   Heather Beverly: it will not let us long in with the username and password
00:36:48   Kim Puckett: @Bekah. Be sure to use the capital letters and I feel like it will work. I've logged into her account from my computer to double check. If you have trouble please email me sniderk@muschools.com
00:37:06   Leah Wells: do they have actual teachers that teach them??
00:37:11   Bekah: @Kim Thank You
