

NOTIFICATION STATEMENT TO

PATRONS OF THE RUSSELLVILLE SCHOOL DISTRICT

The maintenance department of the Russellville School District maintains an ongoing surveillance of buildings with asbestos-containing materials. We are glad to announce that the materials are encapsulated and comply with EPA requirements under the Asbestos Schools Identification Rule of 1981.

The Russellville School District will continue to monitor and move quickly on any problems that may occur. The semi-annual monitoring reports concerning asbestos-containing materials are kept on file with the District. Questions pertaining to this notification may be addressed to Chris Campbell, Russellville School District's Maintenance and Custodial Manager.
