Governor's Press Conference Today (APSRC Report)

Governor Hutchinson and ADH Secretary Dr. José Romero emphasized the importance of wearing face coverings, social distancing and following public health guidelines as we go into the Labor Day weekend.

MODIFIED SCHOOL OPERATIONS:

Notice was sent today to middle school parents that all JMS scholars will have virtual learning from home from Sept 8-12. School staff will deliver classes via Google Classroom and other online platforms.

This decision was made due to lack of staffing and substitute teachers. **This interruption to on-site learning is not the result of additional COVID cases.**

Classes on campus will resume on September 14.

1. Augenblick, Palaich and Associates (APA) Survey: APA is conducting a school finance study for the Arkansas House and Senate Education Committees. You are encouraged to complete the survey as this input will be used to inform legislators and other state leaders concerning educational issues. This survey is open to all educators and the general public until September 18th and can be found at the following link: https://apaconsulting.qualtrics.com/jfe/form/SV_ezddOmgWC8EtYwJ

2. The USDA has approved school meal waivers that allows schools to serve meals under the seamless summer program. Any scholar within the JNPSD boundaries can receive free meals. The meal delivery routes were posted in previous updates and on social media.

3. JNPSD is excited for our student athletes to begin their sports season for the 2020-2021 school year. The goal is not to just start but more importantly be able to finish their season and stay safe in the process. In order for this to happen, we will need everyone's assistance in following the Arkansas Department of Health guidelines that have been set forth.
