

Superintendent's Corner

March 24, 2023

Students, Staff and Community Members of Easton,

It was with an incredible feeling of gratitude and humility that I write this latest edition of Superintendent's Corner. As you may know, we recently had an incredible assembly with our 5-12 students, staff and representatives from McCain Foods and Huber. Both of these companies donated \$50,000 each to the Easton School Department's fundraiser to renovate the Jr/Sr High School Gymnasium in the summer of 2024.

At that assembly I was also proud to announce that upon the completion of the project, we will be renaming the facility the "Gaylen Flewelling Memorial Gymnasium" in honor of the School Department's former Committee Chair who spent decades in service to the school and community. We hope that with this project, and the years of community events that will take place in the facility, will honor him and his family's name for many years and generations to come.

We are so blessed to educate the children of such a supportive community. Great schools rely on great communities, and our community is a primary reason why our school is great!

Best Regards,

Mark Stanley
