

**EASTON SCHOOL DEPARTMENT  
2023-2024 School Year**

**WELCOME BACK!**

I hope you have all had a fun and restful summer vacation! The time has come again to welcome you all back to school for what is bound to be an exciting 2023-2024 school year! For me there is no better time of year as when our students enter the buildings for the first day of school, eager to see their friends, teachers and get started on a whole new adventure. Faculty and staff have been hard at work preparing the facilities and making last minute adjustments to curriculum in anticipation of our students' return to the classrooms. We can't wait for you to see just what we have in store!

Here at Easton School Department we are so proud of our accomplishments, our high expectations for hard work and academic achievement, and our widespread reputation

for excellence. However, what makes this school system so special are the great students who attend our classes, the dedicated and innovative faculty and staff, and the supportive, loving families that make up our great community. The 2023-2024 school year promises to be our best yet, with exciting new students, staff, academic innovations and facilities upgrades. We are thrilled to be

starting this new year and new adventure with you all!

Please feel free to contact the school with any questions you may have, and we will see you on August 16th!

All the Best,  
Mark Stanley  
Superintendent of Schools
