

IMESD 2017-19 Goals

The Board will create a vision for the organization by developing a 10-Year Plan, detailing core beliefs and priorities.

Special Education will cultivate quality partnerships by ensuring accuracy, availability and professionalism.

Instructional Services will improve teaching and learning by strategically responding to customer feedback and providing relevant and timely solutions.

Information Technology will deliver an excellent customer experience by proactively building strong relationships and marketing services.

Administrative Services will improve district outreach, with an emphasis on quality customer service.
