RE: USDA Extends Summer Meals Program

Dear Rams Family,

The USDA has extended the Summer Meal Program through December. This means that **all** students at Shelbyville CUSD #4 will receive free breakfast and lunch each school day for 1<sup>st</sup> semester. Students will still be able to purchase additional items if needed.

Remote learners are encouraged to order their free meals from the Moulton Middle School kitchen at 217-774-2169 ext. 3231. Meals for remote learners are picked up at Moulton on Mondays and Thursdays from 8:00 a.m. to 1:00 p.m. and must be ordered the preceding Wednesday by 1:00 p.m.

If you have any questions, please contact the Moulton Middle School kitchen, or one of the school offices.
