

MHS FALL FOOD DRIVE

The pandemic has had an impact on many families and their ability to feed their families. Our Community is in dire need of donations of non-perishable food items. Please help the Middlesex County Food Pantry, M.C.F.O.O.D.S. replenish their food distribution warehouse that services Metuchen and all other towns in Middlesex County

Students, please donate non-perishable food items when you come to the high school to pick up your textbooks

Thursday & Friday September 10th & 11th

Non-perishable items such as:

**canned meats, tuna fish, canned fruits, canned vegetables,
canned or dry beans, cereals, oatmeal, pastas, pancake mix,
peanut butter, jelly ...**

are gladly accepted

THANK YOU!

Your donation makes an impact on families who are feeling the effects of Food Insecurity
