General Information

APPOINTMENTS

If you need to speak with a counselor, administrator or teacher, please set up an appointment. School employees have many scheduled meetings, conferences and deadlines; therefore, appointments are necessary because we would like to give you the time you need to address your concern.

DELIVERY OF GIFTS OR MESSAGES TO STUDENTS

Student learning is a top priority of schools. Uninterrupted classroom instruction is essential in order to meet the goal of quality education; therefore, the following policy on delivery of gifts, food to students is in place at SHS: Items delivered for students will only be accepted if they are delivered by a parent/guardian, or family member who is listed on the student's emergency card. Students will be called over the loudspeaker during passing periods. It will be the students responsibility to pick up delivered items. Money or items of value such as Chromebooks, phones, etc. will not be accepted.

LOST AND FOUND

The lost and found is located in the ASB Office. Check there for any items you may have lost. Found articles should be returned to this office. P.E. articles may be found in the locker room office.

STUDENT ID CARDS

At the beginning of the school year, each student is issued an ID card for the current school year. The ID card is issued for SHS purposes only and includes the student's picture, name, grade level and ID number. The card may also show verification of early dismissal or late arrival, and ASB membership. Students must present their ID card upon request by any school employee.

LIBRARY/CHROMEBOOK INFORMATION

The Library is open daily from 7:45 am to 4:00 pm. Chromebooks can be checked out from the Student Support Office from 8:00 am to 4:00 pm.

Attendance/Registrar

EMERGENCY CARDS

All students must have a current emergency card on file in the Attendance Office. If not, students will not be permitted to leave campus. Only the parent/guardian may make changes on the emergency card.

PUPIL INFORMATION/CHANGE OF ADDRESS

When address or telephone number changes occur, at any time during the school year, the parent or guardian should notify the Attendance Office immediately. The parent/guardian will need to fill out a new emergency card as soon as possible. Keeping our records up to date allows school personnel to contact a parent or guardian in case of an emergency.

STUDENT RECORDS

Information can be given out about a student, once it has been verified that the requesting party is the student's parent or legal guardian. Verification will be made by asking questions referencing birth date, place of birth, or middle name, or other pertinent information.

18-YEAR-OLD POLICY

It is recommended that students who are eighteen years or older sign a contract agreeing to the following conditions in order to remain at Sultana High School and that such conditions will be reviewed on a case-by case basis: They must continue making adequate progress towards graduation and follow all school rules. If a student commits a suspendable offense or demonstrates poor attendance (including tardies) they could lose their privilege of earning a diploma at Sultana High School. Eighteen-year-old students and their parent/guardian should make arrangements with the Attendance Office for this to take effect. However, this right does not authorize the student to violate the closed campus policy (i.e. request their own off-grounds pass or circumvent any other school regulation). In addition to the information above, there is an attendance clerk who is more than willing to assist you with attendance problems. Please feel free to contact the Attendance Office and leave a message.

OFF-GROUNDS PASSES

Sultana High School is a closed campus. Students must remain on the campus until their day is completed. Students may only leave the campus with an off-grounds pass from the Attendance Office. This permit verifies that both the school and your parent/guardian know of your whereabouts when not on campus. Off-grounds passes are not issued to students to leave for lunch.

- Leaving campus without prior approval from the attendance office will not be cleared

- for any reason and will result in truancy
- Students are not allowed to be in the parking lot except before or after school. The only exception is with permission from an Administrator
 - Any student who disobeys school policy regarding leaving campus will receive disciplinary action

STUDENTS EXCUSED FROM CLASS FOR ATHLETIC/FIELD TRIP EVENTS

If dismissal time for an athletic/activity/field trip event is during a class, you must report to that class before reporting to your authorized supervisor (i.e., coach, teacher, or field trip director). You may receive an unexcused absence for that period if you do not check in.

Students are expected to be in class on time.

ALTERNATIVE EDUCATION PROGRAM

MOJAVE HIGH SCHOOL & CANYON RIDGE HIGH SCHOOL

Mojave High School and Canyon Ridge High School, are WASC accredited continuation high schools in California, which serve grades 9-12 and provide a district alternative to the comprehensive high school. MHS and CRHS, with their lower student/teacher ratio, individualized instruction and intensive guidance services, offer a caring, intimate environment for youth at risk. Placement at MHS or CRHS is voluntary and can be initiated by the student, parents, counselor and/or administrator. Students accepted at MHS or CRHS may complete their education and graduate or make up units needed to return to Sultana HS at the beginning of a new semester. Involuntary placements at MHS are minimal but possible for administrative reasons. For information, please contact the Counseling Office.

SHADOW RIDGE

Shadow Ridge High School is the Hesperia Unified School District's alternative high school that offers alternative academic opportunities for students. The vast majority of Shadow Ridge students are using independent study strategies to progress through the District's academic curriculum. Independent study students are required by State mandates to enter into a master agreement each semester that describes the individualized academic plan they will follow that will lead to learning and earning credits toward high school graduation. The independent study staff guides students through the curriculum and evaluates their work, but the actual student work is completed at home.

Career Center

SCHOLARSHIPS

The Career Center has information regarding scholarships and awards that are available to SHS students. A monthly scholarship bulletin is posted in the Career Center and scholarships are advertised in the daily bulletin at school, and are advertised in the Counseling section of our school website. Students are encouraged to sign-up for scholarship information via email for convenience and ongoing updates (if interested see the Career Center Tech). Students who are

interested in applying for scholarships and financial aid may pick up applications in the Career Center. The information provided on scholarships is extremely important. Parents and students are encouraged to sign-up for one-on-one FAFSA sessions with the Career Center Tech or the College and Career Counselor from October 1st through the end of February. Together, with the guidance provided by counselors, the Career Center Tech, it can broaden the students' educational opportunities, as well as provide educational and training options that would otherwise be beyond their financial capacity.

CAREER PLANNING

Students will develop a four-year education plan that will ensure readiness for the workplace, community college or four year college. Students, parents, counselors and teachers are encouraged to take advantage of the expertise of the Career Center staff and reference materials in the Career Center.

WORK EXPERIENCE PROGRAM

Work experience education is a partnership between community and school providing opportunities for juniors and seniors, 16 years of age or older, to discover their vocational interests and aptitudes as employees in the workplace. Students are paid at least minimum wage and given high school credits. The maximum number of credits allowable for work experience education of any type or combination of types during a student's high school career is 40. Students must attend class one day each week to prepare to enter the job market and perform successfully as an employee. For information, contact the Career Center.

WORK PERMITS

For information regarding work permits please contact the Career Center.

Student Discipline

TEACHER DISCIPLINE PLAN

Each teacher will establish, at the beginning of the school year, a discipline plan for the classroom endorsed by the school administration. The Course Guidelines will include progressive discipline of consequences for classroom infractions. To maintain necessary discipline, teachers are authorized to take action, up to and including suspension of students from the classroom. A referral to the Counseling or an Administrator's office will be included as steps in the classroom discipline plan.

DISCIPLINE POLICY

PHILOSOPHY STATEMENT

Statement of the Board of Education

It is the philosophy of the Hesperia Unified School District that each and every student in the district is entitled to an equal opportunity to participate in the educational program. In order to provide this, it is essential that adequate control be maintained in the classroom and educational setting.

No person or student has the right to interrupt, restrict, or prevent other students from being provided with an education which is rightfully theirs. Thus, every student shall have an opportunity to receive an education without fear of intimidation, threats, coercion, disruptions, etc.

In conformity with the California Education code, and other codes and court decisions, the Board of Education establishes the following policy regarding student behavior and the management thereof:

- A. Students shall respect all constituted authorities. Agents of this constituted authority are all teachers, counselors, principals, or other certificated or classified personnel. This shall include conformity to school rules and regulations, and those provisions of the law which apply to the conduct of juveniles or minors.
- B. No student shall deprive any other student, or group of students, an opportunity to gain an Education. Thus, any action, behavior, or practice which interferes with this right cannot be tolerated. If, in the judgment of an administrator, school police, or any other staff member, a student is causing others to lose their rights to an education within the total educational setting, he/she may be suspended. Any student who commits an assault or battery upon another is jeopardizing his/her opportunity to receive a free public education; expulsion may be a consequence, even if it is a first offense. Habitual violations of board policy regulating student conduct shall be grounds for exclusion or expulsion. Non-students who cause similar disruptions shall be turned over to police authorities.
- C. High personal standards of courtesy, decency, morality, clean language, honesty, and wholesome relationships with others shall be maintained. Public displays of affection are inappropriate especially in a school setting; disciplinary action will be taken at the discretion of school administration. Respect for real and personal property will be shown by all.
- D. Every student who gives evidence of a sincere desire to remain in school, to be diligent in studies, and to profit from the educational experiences provided may be given every opportunity to do so and will be assisted in every way to achieve scholastic success to the limit of individual ability.

ALTERNATIVE LEARNING CENTER (ALC)

Sultana High School's "Alternative Learning Center" or ALC is an administrative option in lieu of home suspension. A student assigned to the Alternative Learning Center will be confined to a classroom during the normal school day. Students are responsible for contacting their teachers for assignments and will work to complete this work during the Alternative Learning Center period. The following rules must be followed by all students assigned to the Alternative Learning Center:

- Students will spend a full school day in the ALC.
- Students may either bring lunch or will be escorted to the cafeteria to pick-up free lunch. Lunch will be eaten in the room.
- There will be absolutely no talking except to the supervisor.
- Students are responsible for contacting their teachers for assignments. Students must work productively at all times on work approved by their teachers.
- Misconduct of any kind will not be tolerated.
- If a student is removed from the ALC for misconduct, a home suspension may be assigned. Students are to report to the room designated for the ALC at the assigned time with Chromebook, and supplies needed.
- Students will be escorted if they must leave the Alternative Learning Center for a valid reason.
