ELEARNING SCHEDULE

CANCELLATION DAYS

Beginning in the 2020-2021 school year, an eLearning day can be used in place of a weather cancellation or any other necessary cancelled school day. The eLearning day can be called by the superintendent at their discretion for a weather cancellation, or any other issue which may cancel in-person attendance.

There are two built in "flex days" within the school calendar for additional make-up days if necessary. These days are listed below.
