

# 2020-2021 GRADE CHECK DATES

**\* Ineligibility will take effect beginning the next school day after an official grade check.**

The following dates will be official grade check dates to determine eligibility for participation in extracurricular activities. Students earning one or more "F's" will be considered ineligible\* and follow these guidelines (Dual-credit ITV courses see below\*\*).

**FIRST OFFENSE** on the "F" list = After grade checks, a student earning an "F" will be ineligible to participate in extracurricular activities, but will have a grace period to raise the grade to passing. If a student can provide proof they are passing after the official grade check to Administration, eligibility will be reinstated. Documentation must be provided from the classroom teacher. If a student does not show proof of a passing grade, they will remain on the ineligibility list until the next grade check.

**SUBSEQUENT OFFENSE** on the "F" list = A student will be placed on the ineligibility list if they have a second offense of earning a non-passing grade. Following the next official grade check, student grades will be re-evaluated to determine eligibility. If a student shows proof of passing at the next grade check, eligibility will be reinstated.
