

KELSO SCHOOL DISTRICT

School Parking Lot Wifi/Internet Location Maps

Four (4) Kelso School District schools have been setup with access to the internet through parking lot wireless access points—Carrolls and Rose Elementary Schools, Huntington Middle School, and Kelso High School.

Below are location maps for each of the schools where access to the internet with a school district issued Chromebook should be within internet wireless range.

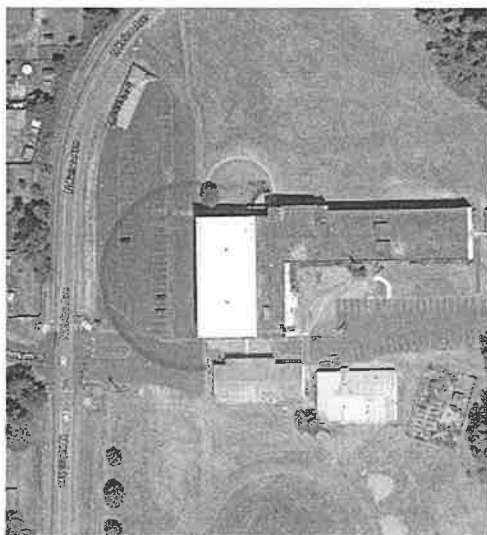

Carrolls Elementary School

Rose Valley Elementary School

Huntington Middle School

Kelso High School
