

Bus Stop, Loading, and Unloading

-Students will maintain proper social distancing (6ft.) and wear masks while waiting at bus stops, boarding, and if needed standing in the aisle.

-Stops with multiple students or when loading at the school, students waiting to board the bus will maintain proper distancing. The first student must clear the steps area before the next student can board the bus.

-In the morning students loading will proceed to the rear of the bus filling from the rear sequentially to the front, sitting on the attached dots on the seats.

-Students will sit one per seat, siblings will be permitted to sit together.

-Students should face forward at all times and refrain from eating, shouting, singing, or sharing items while in the bus.

-When loading in the afternoon students will sit in the same seat as the morning which will become their assigned seat.
