Building Futures: Every Scholar, Every Day

September 8, 2020

4:02 pm

JNPSD School Community:

Please continue to stay informed through all of our postings on JNP social media, JNP website, local media, and other communication outlets. All community updates, official documents, and other information posted since March 6 is available for your reference.

MODIFIED MIDDLE SCHOOL OPERATIONS:

All JMS scholars will have virtual learning from home from Sept 8-12. School staff will deliver classes via Google Classroom and other online platforms.

This decision was made due to lack of staffing and substitute teachers. **This interruption to on-site learning is not the result of additional COVID cases.**

Classes on campus will resume on September 14.

1. The Jacksonville Local Health Unit will host a COVID testing clinic on September 10, 2020 from 4:00 pm – 7:00 pm. Testing is available for anyone with or without symptoms. The address is 3000 N First St in Jacksonville.
2. JNPSD is not on the ADH school report since the school district does not have at least 5 active cases as of Sept 7.

Thank you for your support of JNPSD.

Respectfully,
