Re: Fall Inservice, 2022

It is with great excitement that I write this letter to welcome you to the 2022-2023 school year. I'm hopeful you have found some time to relax and refresh ahead of this upcoming year.

We have been working to put together some meaningful days for you in August. Many of you have already been preparing for the school year with summer training and working in your rooms. Your commitment to the Watertown School District is commended, and we're glad you have chosen to work here.

I wish to extend a special welcome to all new staff members. We have a number of new certified and classified staff members, so I hope you'll take some time to introduce yourself when you meet them.

Plan to be at the DD Miller Auditorium on August 18th at 8:00 a.m. and I am looking forward to addressing all staff that day. We intend to share an update on the "Return to School Plans" at both the district level and the school site level. We will also have information on the days of August 22-23 and on the Pre Parent/Teacher Conferences. When it comes to educating our kids "Making a Difference: It's what we do!"

Best of luck as you wrap up your summer. Let's get off to a great start in the Fall of 2022.

Sincerely,

Dr. Jeff Danielsen
