ChattCo Panther Fans:

With the impact of COVID19 on our school and community, Chattahoochee County High School will have the following requirements/guidelines for Chattco Fall Sports:

1. Chattahoochee County High School will limit ticket sales to 50% of stadium capacity. Therefore, it is strongly encouraged to purchase season ticket passes to ensure entry into all home games at the cost of \$35.
2. All tickets, pre-sale and tickets sold at the stadium, will cost \$7.
3. We strongly recommend pre-sale tickets be bought to guarantee admission into the game.
4. Individual tickets will go on sale to the general public the week of the contest.
5. Tickets will be sold between 8am and 2pm at the CCMHS Front Office.
6. It is expected that all children attending be accompanied by an adult.
7. All entrants to the stadium are strongly encouraged to wear a mask.
8. Individuals/families are expected to practice social distancing guidelines while in the stadium.
9. All fans are expected to stay in their area of the stands unless visiting the concession stand or restroom.
10. Congregating along the fence will not be allowed.
11. Fans will remain on the side in which they entered (visitor/home).
12. No passes for reentry to the venue. If you leave the stadium, you have to buy a ticket to come back inside.
13. Handicap parking is available only with proper decal.
14. Only vehicles with Parking Passes are allowed to enter the stadium and park behind the press box.
15. No field access except for participants, officials, and administration during or after the contest.
16. All fans should leave the stadium following the contest. Players will not be allowed to leave until all have dispersed.

Please be reminded that these expectations may change due to the fluid nature of the COVID-19 pandemic.

Thank you for your adherence to the above listed guidelines. We hope that you have a wonderful experience cheering on the ChattCO Panthers!

Chattahoochee County School District Mission Statement

Our mission at Chattahoochee County School District is to prepare all students for college and career readiness as they grow to be productive contributors in society.
