September 2020

Parent/Guardian,

This letter is to inform you that U.S. Department of Agriculture (USDA) is extending free meals for all students enrolled in our school district until the end of the 1st semester or until the funds run out. This unprecedented move will help ensure students have access to nutritious food as the country recovers from the COVID-19 pandemic.

All students with a credit in their lunch account will still have that money available for them for the 2nd semester or when the USDA funds run out. Students choosing to have seconds will still be charged for them.

We are grateful to USDA for extending these free meals to all students in the state of Kansas.

Sincerely,

Debbie Schneeberger

Debbie Schneeberger
