

Hello, my name is Luke Lewis. I am a Title 1 Teacher and Special Education Paraprofessional at BCHS. This is my second year teaching in Dillon. I grew up in Georgia and moved to Montana after I completed college. While here, I met my wife Kelsi. We now live in Melrose with our newborn daughter Natalie.

I am happy to be teaching at BCHS and believe we have the staff and students necessary to be one of the best schools in the state. If you need to contact me for any reason, please email me at [llewis@bchsmt.com](mailto:llewis@bchsmt.com) or call the school at 406-683-2361.
