

Daily Announcements

9/9/20

STUDENTS: Please try and keep track of your water bottles as they are being found at the track, weight room etc. with no names on them. The kitchen cannot take them and sanitize them and return them to the rightful owner if they don't have names on them. They have to be thrown away. Put your name on the lid and on the bottle please. Thank you

STUDENTS: Please remember to leave your Hawkeyes masks here at the end of each day so they can be washed. Drop into a used basket on your way out of your last class. The office also has a place for used masks. Thank you

Quote of the day: I no longer sit at tables where I might be the topic when I get up.
