

Under State Board of Education Rule, completing required continuing education each year of service is a basic obligation and expectation of any sitting board member.

As Board President, I am required to announce the name of each member who:

- Has completed the required continuing education;
- Has exceeded the required continuing education;
- Is deficient in meeting the required continuing education.

The requirements for training are measured as of the first anniversary of the date of the trustee's election or appointment or two-year anniversary of his or her previous training, as applicable.

There are seven categories of board member continuing education:

- Local District Orientation;
- Orientation to the Texas Education Code;
- Post-Legislative Update to the Texas Education Code;
- Team Building
- Additional Continuing Education
- Evaluating Student Academic Performance and Setting Goals
- Identifying and Reporting Abuse, Trafficking, and Other Maltreatment of Children

To the extent applicable to board member, I will announce the completion or deficiency as to required training.

For members who still have time remaining to complete required training, I will announce those board members who have scheduled timely training and those who have not yet scheduled the training.
