STUDENT MEALS

The Echo School District will be serving breakfast and lunch during online instruction. We will do this through two modes of operation, onsite pick-up and delivery of meals. As with a normal school year, breakfast is free for all students. Lunch fees will apply based on free, reduced, or paid meal plan. We are asking all families to fill out this form to help us better serve all students. Completing this form does not commit you to anything and you can opt in or out of this program at any time.
