

Brunswick Central School
District Office
Stephanie Steinhart
Assistant Superintendent of Business

September 9, 2020

Dear Families,

We are looking forward to another school year of feeding your students and are excited to be preparing meals in our new MS/HS kitchen.

For those students who are remote learning or are on the hybrid model and would like to order school meals, the district has set up an ordering system to assist with this process.

Meals must be ordered for the upcoming week by Thursday at noon. Requests for meals must be e-mailed to foodordering@brunswickcsd.org. Please only order for the upcoming week.

We will need the following information for all meal requests:

- Student(s) full name
- Student(s) grade level
- Number of meals for the week – please clarify number of breakfasts & lunches

Please note, do not request a meal on the day your student is participating in in-district learning.

Pickup of meals will be every Monday at 9:00am located at the auditorium entrance. If you have a hardship and cannot pickup your meals, please note this in your ordering and we will try our best to accommodate.

If you do not qualify for free or reduced lunch you must pre-pay for your meals. We cannot accept cash at pickup. If you need a free and reduced lunch application, please go to our website at brunswickfoodservice.org.

If you have any questions or concerns, please contact me at the e-mail address below.

Sincerely,

Stephanie Steinhart
