GIFTS, BEQUESTS AND DONATIONS

McAllen ISD is a public school district and is a political subdivision of the State of Texas and as such is exempt under section 115 of the IRS Code. The District is not a tax-exempt entity under the Internal Revenue Service (IRS) Code Section 501(c)(3). However, the district is considered a tax exempt organization that may receive charitable contributions according to the IRS Code Section 170(c)(1). Contributions to the district are deductible by donors as provided in section 170 of the IRS.

Per **CDC (LOCAL)**, Other Revenues, Gifts and Solicitations, The Board delegates to the Superintendent the authority to accept unsolicited gifts on behalf of the District. However, any gift that the potential donor has expressly made conditional upon the District's use for a specified purpose, or any gift of real property, shall require Board approval.

Criteria for acceptance: The District shall not accept any gift that would violate or conflict with policies of or actions by the Board or with federal or state law.

Before the Superintendent accepts a gift or recommends acceptance of a gift to the Board, as applicable, the Superintendent shall consider whether the gift:

1. Has a purpose consistent with the District's educational philosophy, goals, and objectives;
2. Places any restrictions on a campus or District program;
3. Would support a program that the Board may be unable or unwilling to continue when the donation of funds is exhausted;
4. Would result in ancillary or ongoing costs for the District;
5. Requires employment of additional personnel;
6. Requires or implies the endorsement of a specific business or product [see GKB for advertising opportunities];
7. Would result in inequitable funding, equipment, or resources among District schools or programs (Title IX);
8. Obligates the District or a campus to engage in specific actions; or
9. Affects the physical structure of a building or would require extensive maintenance on the part of the District.

Board agenda items must be coordinated through the Assistant/Associate Superintendent. Acceptance of any gift, bequest or donation is subject to Board policy CDC (LOCAL).

If the donated property relates to the Department of Technology, Instructional Technology, Facilities Maintenance and Operations, Child Nutrition, Athletics and/or Fixed Assets, approval from the corresponding department is required prior to acceptance (Sections II). Examples include technology and computer equipment, construction related contracted services, food or food preparation equipment, equipment that requires additional electrical capacity and items that involve the removal or addition of permanent fixtures to buildings or grounds.

Donations to the District that alter or modify District owned property or facilities must receive approval from the Superintendent or designee prior to acceptance.

Purpose: The purpose of this form is to record the receipt of gifts and donations from individuals, firms, associations, civic organizations, and philanthropic, social or service groups. These donations may be in the form of cash or property. Gifts or bequests of nonmonetary types of property are recorded at appraised market value at the time of receipt.

DONATION FORM EXEMPTIONS:

Consumables will not require a donation form and are not subject to the Donation flow chart. Please note that some organizations may request a donation form for tax purposes and we must abide.

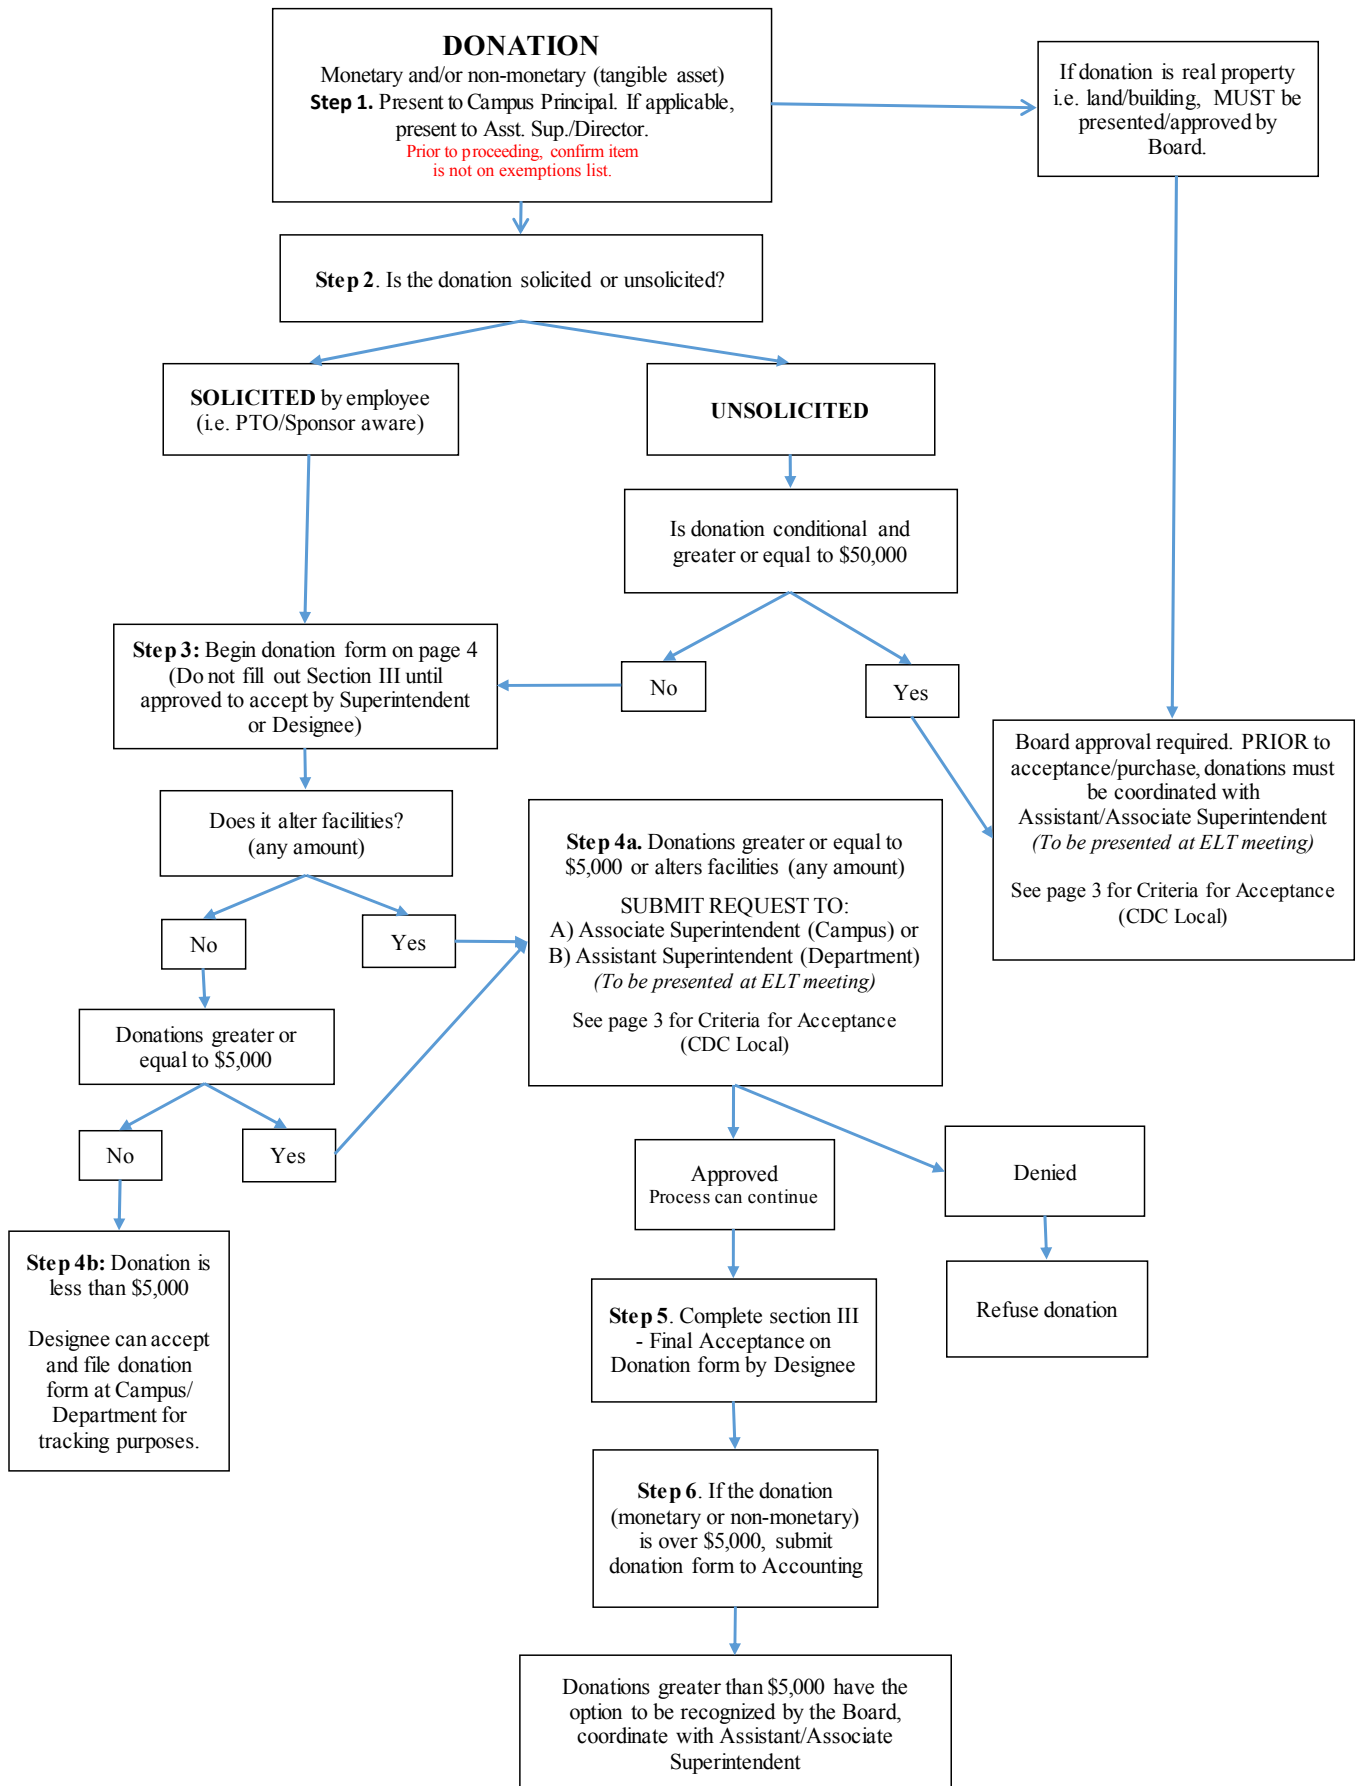

Consumables includes commodities that are intended to be used quickly, usually within one year.

Examples of consumables include:

1. Food and drinks (Athletics must adhere to UIL rules),
2. Merchandise, i.e. pens/paper mugs, swag, etc.
3. Short term use props/items
4. Banquets,
5. Entertainment tickets, i.e. amusement park

 - a. Due to liability issues, it is recommended to use the District's procurement process when paying for charter bus services; however, if paying directly to vendor must use the District's approved vendors. These vendors have been vetted and meet the safety requirements for our students.

Note: **These exemptions only apply if donor/PTO/Booster pay directly to vendor.** There is no dollar limit on these exemptions. If monies are provided to District for the above purposes, donation must adhere to District policy, as noted in the previous page.

MOTOR VEHICLE RENTAL EXEMPTION

The Motor Vehicle Rental Exemption Certificate is to be used when District employees rent a vehicle while on school business. Please insure your staff is made aware of this certificate and that is taken with them on trips where a rental vehicle is to be used for travel while on school business.

Not all vehicle rental agencies accept the MISD Motor Vehicle Rental Exemption Certificate. Therefore, it should be verified that the vehicle rental agency selected will honor the MISD Motor Vehicle Rental Exemption Certificate prior to traveling. Accounting will not reimburse unauthorized taxes.

Vehicles must be filled up with gasoline prior to returning to the rental agency. If the vehicle rental agency must fuel the vehicle, the individual who rented the vehicle will reimburse MISD the difference between the vehicle rental gas rate and the MISD gas rate. The MISD gas rate will be based on the rate at the service station located on the corner of FM 495 and Bicentennial Street at the time travel is being reviewed for reimbursement by Accounting.

Reminder: When renting a vehicle for school business, the Physical Damage insurance, also referred to as loss Damage Waiver or Comprehensive Damage insurance, needs to be purchased. It is important for all employees who will be driving the vehicle be placed on the physical damage insurance list with the rental agency. District policy only covers liability insurance on a rental vehicle.

Personal injury protection, uninsured motorist coverage, and medical payment coverage is not reimbursed by the District.

Due to the increased liability of an at-fault vehicle accident, **the District prohibits personal vehicle use to transport students.** The District does not carry auto liability insurance or physical damage insurance for employee owned vehicles. If a district employee has an at-fault vehicle accident and is sued, the employee's vehicle insurance policy will be primary and must respond first.

If ten or more students are to be transported, you must requisition a school bus.

For further information on requisitioning a school bus or insurance coverage, contact the Director of Transportation or Director Employee Benefits, Safety & Risk Management, respectively.

To ensure all liability issues have been addressed, whether renting a vehicle or utilizing a personal vehicle, you must contact the Insurance and Employee Benefits department at 618-7380.

Timber Operations - Timber machines and trailers used primarily (at least 80 percent of the time) in timber operations are exempt from motor vehicle rental tax. A timber machine is a self-propelled motor vehicle specially adapted to perform a specialized function for use primarily in timber operations. Timber machines and trailers qualify for exemption if they are used in the production of timber, including land preparation, planting, maintenance and gathering of trees commonly grown for commercial timber. Renters must provide a current ag/timber number issued by the Comptroller in order to claim this exemption. Tax is due if renter does not have an ag/timber number. For more information, visit www.comptroller.texas.gov/taxes/ag-timber/.
