

Schuyler R-1 will be utilizing the nationwide waiver for free meals from the Summer Food Service Program through DHSS.

Who is eligible? Every Schuyler R-1 student and child 18 and under. If you have a child in Schuyler County that is not a student, please contact the program coordinator for more information.

What does this mean? Meals on school days between September 1 and December 22 will be free to children under the Summer Food Service Program nationwide waiver extension.

What is covered? The free meal does not include a la carte items, extra milks, or any other items beyond a whole unit meal (breakfast or lunch choice with listed sides). These items are still available, but the student will be charged.

What about my child's allergies? A student with a documented allergy will receive an equivalent item for that part of their meal. For example, a student may get an apple in place of strawberries if it is documented with the nurse that the student is allergic to strawberries.

What about the lunch money I sent in? For those that have already deposited money into their meal accounts, that money will remain in their accounts. Meals will go back to their regular prices after this waiver expires in December.
