What is Our District Code for the Mobile App?

As the start of school approaches, students and parents want to install the mobile app on their phone. A common question that is asked is, "What is our district code for the mobile app?"

When using the mobile app for Parents, do not use the district code. Instead follow the steps below:

Setup for PowerSchool mobile app for IOS devices and Android Devices

1. Download or update the current PowerSchool mobile app from the app store or Google play

2. After the app is downloaded start the PowerSchool mobile app

3. On the splash screen touch the Help link

4. Touch Search for your District

5. Fill in the PowerSchool server Address **districtname.ps.state.nd.us** or you may need to use **https://powers-lake.ps.state.nd.us**

6. Submit

7. On the login page input your username and password and touch the sign in button
