MICHELLE SIEBERT
PRINCIPAL

September 10, 2020

Dear Fletcher Parents/Guardians,

It was great to see students entering the building this week even though things looked a little different. The following reminders and updates are for our hybrid cohort students:

- **VERY IMPORTANT** - Students will NOT be allowed to enter the building until 8:20 am. Supervision of students arriving prior to 8:20 a.m. will not be provided so please plan your son's/daughter's arrival time accordingly. Students who are walking or being dropped off will enter the building through door #4.
- The **Parent Information Night** that was planned for Fletcher Elementary on Tuesday, September 15th has been **postponed**. With the recent implementation of the new hybrid model we are continuing to reinforce protocols and establish new routines and procedures in the building. The postponement of Information Night will assist in bringing more valuable information for our Fletcher families to explore at an upcoming date.
- **Picture Day** on **October 7th** has also been **postponed**. More information on the rescheduled Picture Days will be forthcoming as well.
- Remember to send back to school the white contact card, demographic sheet, media form and computer consent form as soon as possible..
- A packet of medical information is being sent out by the end of this week to families, please fill out the necessary information and send back to school as soon as possible.

Thank you for your continued support and patience as we begin this very different school year. If you have any questions, please feel free to contact me at 694-7694 or msiebert@tonacsd.org.

Sincerely,

Michelle Siebert
